

## **Brief CV**

I graduated from University of Malaya, Kuala Lumpur in 1985. Initially worked as medical officer in Hospital Ipoh and subsequently joined Universiti Sains Malaysia, Health Campus, Kubang Kerian in early 1987.

In 1988, I joined Merseyside radiology training scheme in Liverpool, UK and obtained Diploma in Diagnostic Radiology (DMRD) from University of Liverpool in 1990 and FRCR (UK) in 1992.

I returned to Universiti Sains Malaysia, Health Campus, Kubang Kerian in 1993 as a medical lecturer and appointed in 2007 as a professor while in Advanced Medical and Dental Institute, USM, Penang. I had the opportunity in 1995 to undergo training in musculoskeletal radiology in Austin Hospital, Melbourne, Australia.

I had the privilege of sharing research findings in my interest area of musculoskeletal radiology and health informatics in international conferences and in ISI and SCOPUS reputable journals.
