(1) Personal Particulars

Full Name : Syed Muhammad Farhan Bin Syed Idros

Last Name: Bin Syed Idros

Nationality : Singaporean

Gender : Male

Office Address : Outram Road, Singapore 169608

(2) Brief Biography

I am a registered nurse at the Department of Diagnostic Radiology, Singapore General Hospital. I joined the Department of Diagnostic Radiology shortly after the completion of National Service in the Police Force. Dedicated to providing holistic care to patients undergoing diagnostic and interventional radiographic procedures, I subsequently chose to pursue a BSc (Hons) in Nursing Practice at the University of Manchester to empower myself to deliver the best levels of care to patients.

Efficient, thorough, and passionate, I have a keen eye for research, a love of solving puzzles, a “stick-to-it” attitude, and a solid knowledge of the research process. I am a self-directed, creative, and up for a challenge to do my part to improve the 21st century healthcare system.
