

# CURRICULUM VITAE

**NAME:**

**DR. ARUN GUPTA**

**MAILING ADDRESS:** Room No. 20A, Dept of Interventional Radiology Sir Ganga Ram Hospital  
New Delhi. 110060

## Present Employment/ Post Held:

*Chairperson and Senior consultant*  
Department of Interventional Radiology,  
Sir Ganga Ram Hospital,  
New Delhi, India

## Educational qualification:

**Specialist qualification:** **MD-Radiodiagnosis** from GSVM Medical College, Kanpur in September 2000.

**Other Qualifications :** Completed three years **Senior Residency** (including training of Interventional Radiology) Sanjay Gandhi Post Graduate Institute of Medical Sciences [S.G.P.G.I.M.S], Lucknow, U.P, India.

## SOCIETY/POST HELD:

**Secretary- Indian Society of Vascular and Interventional Radiology (ISVIR)**  
**Corresponding Member- CIRSE (Europe), ASPVIR (Singapore)**  
**Member- IRIA**

### **Academic Activities:**

- **Started and established the Department of Interventional Radiology as first separate super specialty Department in North India**
- **Started many interventional procedures eg, TIPSS, TARE first time in North India**
- **Conducting fellowship in Intervention Radiology program (one year) for the education of young Interventional Radiologist.**
- **Represented India as specialist IR in SIR-2016, Vancouver, Canada**
- **Award for “Outstanding Contribution to Health care “ by Rajiv Gandhi Cancer Institute, New Delhi**
- **Guest lectures and paper presentations in many National and International Intervention radiology, Gastroenterology and Surgical gastroenterology conferences.**

### **Publications in International/National journals**

**Working Experience:** Presently doing various interventional procedures for last 13 years at Sir Ganga Ram Hospital Delhi, India.

## **A. NONVASCULAR INTERVENTIONS**

- 1. GUIDED BIOPSY/FNAC AND DRAINAGE PROCEDURES**
- 2. PTBD AND STENTING**
- 3. PERCUTENOUS GASTROSTOMY AND JEJUNOSTOMY**
- 4. ESOPHAGEAL STENTING**
- 5. PCN AND URETRIC STENTING**
- 6. CELIAC GANGLIONNAD NERVE BLOCKS**
- 7. RFA FOR LIVER, KIDNEY TUMOURS**
- 8. THORACIC DUCT EMBOLIZATION**

## **B. VASCULAR INTERVENTIONS**

- 1. DIAGNOSTIC ANGIOGRAPHIES:** (Arterial and venous)
- 2. TRANSJUGULAR LIVER BIOPSIES**
- 3. IVC PLASTY AND STENTING**
- 4. HEPATIC VEIN STENTING**
- 5. TIPSS and BRTO.**
- 6. TRANSARTERIAL CHEMOEMBOLIZATION (TACE)**
- 7. Y-90 RADIOEMBOLIZATION (TARE)**
- 8. ANGIOEMBOLIZATION: GI, Renal, Bronchial and various Iatrogenic bleed**
- 9. OTHERS:** Various cases of **uterine artery embolization, internal iliac artery embolization, partial splenic embolization, AVM Embolization** and percutaneous treatment of veno-lymphatic malformation etc

## **Teaching experience**

1. Director and teaching co-ordinator Interventional Radiology fellowship Programme.
2. Presently taking routine classes and moderating seminars and case Presentation of D.N.B. Radiology students at Sir Ganga Ram Hospital Delhi, India
3. Guide and co-guide of D.N.B. student thesis
