

CURRICULUM VITAE

PARTICULARS:

Name: CHENG, LIK FAI (鄭力暉) Gender: Male

Current Post: Consultant
Institute: Department of Diagnostic Radiology, Princess Margaret Hospital
Office Address: Department of Diagnostic Radiology, Princess Margaret Hospital,
Lai King Hill Road, Kowloon, Hong Kong

EDUCATIONS:

Faculty of Medicine, Chinese University of Hong Kong, 1990-1996

QUALIFICATIONS:

Degree	Title in Full	Issuing Organization	Date of Award
MB Ch B	Bachelor of Medicine and Bachelor of Surgery	Chinese University of Hong Kong	6-1996
FRCR	Fellow, Royal College of Radiologists	Royal College of Radiologists	10-2002
FHKCR	Fellow, Hong Kong College of Radiologists	Hong Kong College of Radiologists	1-2005
FHKAM (Radiology)	Fellow, Hong Kong Academy of Medicine	Hong Kong Academy of Medicine	7-2005
MPH	Master of Public Health (concentrated in Administrative Medicine)	The University of Hong Kong	2010

OTHER MEDICAL QUALIFICATIONS:

Degree	Title in Full	Issuing Organization	Date of Award
MSc	International Diploma in Neurovascular Diseases	Paris Sud University and Mahidol University	2-2007
PCPH	Postgraduate Certificate in Public Health (in Administrative Medicine)	The University of Hong Kong	9-2008
EBIR	European Board of Interventional Radiology	Cardiovascular and Interventional Radiological Society of Europe	4-2019

CLINICAL APPOINTMENT HELD:

Hospital	Period	Department	Post
PMH	7-1996 to 9-1996	Orthopedic	Intern
PMH	10-1996 to 12-1996	Obstetric and Gynecology	Intern
PMH	1-1997 to 3-1997	Surgery	Intern
PYNEH	4-1997 to 6-1997	Medicine	Intern
PMH	7-1997 to 6-1999	Accident and Emergency	Medical officer
PMH	7-1999 to 2-2006	Diagnostic Radiology	Medical officer
PMH	2-2006 to 10-2013	Diagnostic Radiology	Associate Consultant
PMH	10-2013 to now	Diagnostic Radiology	Consultant

Visiting Fellowships:

Specialty/Subspecialty	Period	Hospital	Country
Vascular & IR	4-2004 to 6-2004	Westmead Hospital	Sydney, Australia

Cardiac MR	9-2007 to 9-2007	Royal Brompton Hospital	London, Britain
Neurointervention	9-2014 to 10-2014	Asan Medical Center	Seoul, Korea
Neuroradiology	11-2014	University of Southern California	United States

APPENDIX

INVITED LECTURES:

Date	Conference	Organization	Topic
26/2/04	Scientific Seminar	Hong Kong Radiological Technologists' Association	Hepatobiliary Intervention
10/9/06	Annual Scientific Meeting	Hong Kong Society of Interventional Radiology	Chemoembolization in Tumors Other Than HCC
9/12/06	Basic Angiographic Course	Hong Kong Society of Interventional Radiology	Basic Techniques of Embolization
28/1/07	Renal Commissioned Training 2007	Central Renal Committee	Imaging of Dialysis AVF and AVG

12/9/07	Post Graduate Course for Registered Nurses	Hospital Authority	Radiation Safety
7/08	Non Vascular Interventional Radiology Workshop	Hong Kong Society of Interventional Radiology	Techniques in Hepatobiliary Intervention
6/9/08	Post Graduate Course for Registered Nurses	Hospital Authority	Radiation Safety
22/6/10	Inflammatory Bowel Disease Workshop	Hong Kong Society of Inflammatory Bowel Disease	Imaging of Crohn's Disease
13/11/10	PMH 35th Anniversary Commemorative Scientific Conference	Princess Margaret Hospital	EVAR- Past, Present and Future
17/4/11	Multi-Specialty Medical MEGA Conference	Association of Private Medical Specialists of Hong Kong	Role of Interventional Radiology in Palliative Medicine
22/10/11	7th Anhui Province Imaging Congress	Anhui Province Hospital Imaging Association	Application of Microcatheter in Interventional Radiology
2/5/13	CUHK Diploma in Vascular Interventional Radiology	Chinese University of Hong Kong	General principles of vascular and venous intervention_Embolization
2/6/13	CUHK Diploma in Vascular Interventional Radiology	Chinese University of Hong Kong	General principles of vascular and venous intervention_Stenting
26/10/13	Medical Specialties Summit 2013	Association of Private Medical Specialties of Hong Kong	Endovascular Management of Iatrogenic Complications
3/11/13	Hong Kong College of Radiologists Annual Scientific Meeting	Hong Kong College of Radiologists	IR for Trauma
18/5/14	Asian Pacific Congress of Cardiovascular Interventional Radiology	Asian Pacific Society of Cardiovascular Interventional Radiology	IR for Trauma Case Based Discussion
31/7/14	CUHK Diploma in Vascular Interventional Radiology	Chinese University of Hong Kong	Endovascular IR for Liver, Splenic and Renal Injury
17/1/15	Workshops in Interventional Radiology Education Singapore	College of Radiologists Singapore and Singapore Radiology Society	Central Venous Access
6/2/15	KWC Trauma Conference 2015	KWC Trauma Service Coordinating Committee	Non-operative Strategies in Hemostasis: Role of IR in Major Trauma
11-14/6/15	12 th Scientific Meeting of Chinese Society of Interventional Radiology	Chinese Society of Interventional Radiology	Non-operative Strategy in Hemostasis: Role of IR in Trauma

18-19/5/15	Hospital Authority Convention 2015	Hospital Authority	IR in Peripheral Vascular Disease: How Far Can We Go
21-24/4/16	Asian Pacific Congress of Cardiovascular Interventional Radiology	Asian Pacific Society of Cardiovascular Interventional Radiology	Endovascular Aneurysm Repair (EVAR): From Simple to Challenging Cases
21-24/4/16	Asian Pacific Congress of Cardiovascular Interventional Radiology	Asian Pacific Society of Cardiovascular Interventional Radiology	Hemostasis in Bleeding Related to Head and Neck Malignancies
21-24/4/16	Asian Pacific Congress of Cardiovascular Interventional Radiology	Asian Pacific Society of Cardiovascular Interventional Radiology	Role of IR in Obstetrics
27-28/5/16	2 nd Scientific Meeting of Asia-Pacific Association of Image-Guided Therapy in Oncology	Asia-Pacific Association of Image-Guided Therapy in Oncology	Endovascular Management of Bleeding related to Head and Neck Tumors
19-20/1/2018	IR Practice in US and East Asia	HKCR and The University of Chicago	From Health Care Financing to Decision Making in IR in HK Public Hospitals
7-11/3/2018	Asian Pacific Congress of Cardiovascular Interventional Radiology	Asian Pacific Society of Cardiovascular Interventional Radiology	Tips and Tricks in Starting Transradial IR
7-11/3/2018	Asian Pacific Congress of Cardiovascular Interventional Radiology	Asian Pacific Society of Cardiovascular Interventional Radiology	Embolization of GI Bleeding, How I do it.

PROFFERED PAPERS (INTERNATIONAL):

Date	Conference	Organization	Topic	Authors	Nature
8/11/2003	11th (2003) Congress of Radiology Society of Chinese Medical Association	Radiology Society of Chinese Medical Association	Use of Fat Suppressed Spoiled Gradient Echo Recalled Sequences in Magnetic Resonance Imaging of Spine	T Chan, FK Wong, CM Lee, KF Ma, MK Wong, <u>LF Cheng</u>	proffered poster
31/10-3/11/2004	6th Asia-Pacific Congress of Cardiovascular and Interventional Radiology	Asia-Pacific Society of Cardiovascular & Interventional Radiology, Indian Society of Vascular & Interventional Radiology	Safety and Efficiency of Portal Vein Embolization Using Histoacryl in Preparation for Major Hepatectomy	<u>LF Cheng</u> , EPY Fung, WH Luk, MK Wong, TKL Loke, JCS Chan	Oral presentation
31/10-3/11/2004	6th Asia-Pacific Congress of Cardiovascular and Interventional Radiology	Asia-Pacific Society of Cardiovascular & Interventional Radiology, Indian Society of Vascular & Interventional Radiology	The Synergetic Effect of Percutaneous Ethanol Injection on the Survival of Hepatocellular Patients Treated by Transarterial Chemoembolization	<u>LF Cheng</u> , YW Lee, WC Ho, Khim Hui Pay	Oral presentation
9-12/6/08	8th Asia-Pacific Congress of Cardiovascular and Interventional	Asia-Pacific Society of Cardiovascular & Interventional Radiology,	Pictorial Essay: Angiographic Appearance of Extrahepatic Arterial Supply of Hepatocellular Carcinoma	<u>LF Cheng</u> , KF Ma, WC Fan, TM Li, WT Yung, CS Wong	Poster presentation

	Radiology	Indian Society of Vascular & Interventional Radiology			
4-8/3/10	European Congress of Radiology 2010	European Society of Radiology	Value of water-soluble contrast (meglumine amidotrizoate) follow-through study in predicting the need of surgical treatment in acute adhesive intestinal obstruction	LF Cheng , CS Wong, WS Mak, CY Fong, B Lo	Poster presentation

PROFFERED PAPERS (LOCAL):

Date	Conference	Organization	Topic	Authors	Nature
15/10/2003	11th Annual Scientific Meeting of HKCR	HKCR	Prognostic Factors in Survival of Patients with HCC after TACE	LF Cheng , YW Lee, WC Ho, Khim Hui Pay	Oral presentation
15/10/2003	11th Annual Scientific Meeting of HKCR	HKCR	Efficiency of Percutaneous Ethanol Injection as Adjuvant Therapy of TACE in Inoperable HCC: Three Years Follow-up	LF Cheng , YW Lee, WC Ho, Khim Hui Pay	proffered poster
15/10/2003	11th Annual Scientific Meeting of HKCR	HKCR	Use of Fat Suppressed Spoiled Gradient Echo Recalled Sequences in Magnetic Resonance Imaging of Spine	T Chan, FK Wong, CM Lee, KF Ma, MK Wong, LF Cheng	proffered poster
30/10/2004	12th Annual Scientific Meeting of HKCR	HKCR	Safety and E Efficiency of Portal Vein Embolization Using Histoacryl in Preparation for Major Hepatectomy	LF Cheng , EPY Fung, WH Luk, MK Wong, TKL Loke, JCS Chan	Oral presentation
30/10/2004	12th Annual Scientific Meeting of HKCR	HKCR	Factors Affecting the Risk of Pneumothorax in CT Guided Fine Needle Biopsy of Lung Masses	LF Cheng , MK Wong, IPO Lee, KF Ma	Oral presentation
30/10/2004	12 th Annual Scientific Meeting of HKCR	HKCR	Breast Cancer Preoperative Lymphoscintigraphy: Variables Affecting Detection of Sentinel Lymph nodes	EPY Fung, LF Cheng , LF Tam, WH Luk, Li Allen, K Wang, SL Fung	Oral presentation
