Prince of Songkla University, Songkhla, Thailand

2009-2012 **Diagnostic Radiology**, Department of Radiology, Faculty of
Medicine, Prince of Songkla University, Songkhla, Thailand

2012-2014 **Fellowship in Body Interventional Radiology**, Faculty of
Medicine,

Prince of Songkla University, Songkhla, Thailand

2017 **Visiting Fellowship in Interventional Oncology**, National
Cancer Center (NCC),

Tsukiji campus, Tokyo, Japan

2017 **Special Training in Ultraselective cTACE with Dual-Phase
Cone Beam CT (DPCBCT) Navigation System
(Emboguide)**, Fukuiken Saiseikai Hospital, Fukui, Japan

Certificates & Diploma:

2008 **Doctor of Medicine**, Faculty of Medicine,
Prince of Songkla University, Songkhla, Thailand

2012 **Higher Graduate Diploma Program (Clinical Science)**,
Prince of Songkla University, Songkhla, Thailand

2012 **Diploma of Thai Board of Diagnostic Radiology**,
Medical Council of Thailand

2014 *Diploma of Thai Board of Body Interventional Radiology,*

Medical Council of Thailand

Medical Licenses:

2008-present Thai Medical License
Thai Medical Council, No. 37403

Honors and Awards:

2008 Second Class Honors, the Degree of Doctor of Medicine
2011 Second best poster presentation award from the 48th Annual Scientific Meeting of the Royal College of Radiologists of Thailand and the Radiological society of Thailand, 2013
2012 Best oral presentation award in Thai Society of Vascular and Interventional Radiology Annual Meeting at Chiangmai, Thailand on November 2012
2012 Best poster presentation award in Thai Society of Vascular and Interventional Radiology Annual Meeting at Chiangmai, Thailand on November 2012
2018 Award-Winning HCC quiz in Multidisciplinary Oncology Symposium Malaysia 2018; Advanced TACE in HCC: Technical Improvisation and outcome optimization, Kuala Lumpur, Malaysia on April 2018
2019 Young Interventional Radiologist Award from Asia Pacific Society of Cardiovascular and Interventional Radiology 2019 (APSCVIR), Bali, Indonesia, on Feb 23, 2019

Membership in Professional Organizations:

2009-present Thai Society of Vascular and Interventional Radiology (TSVIR)
2015-present Tumor Ablation Forum Thailand (TAFT)
2016-present Society of Interventional Oncology (SIO)
2017-present European Society of Radiology (ESR)
2018-present Radiological Society of Thailand (RST)
2018-present Asia Pacific Society of Cardiovascular and Interventional Radiology (APSCVIR)

Current employment:

1. Full time teaching staff of Vascular and Interventional Radiology, Department of Radiology, Faculty of Medicine, Prince of Songkla university, Hatyai, Songkhla 90110, Thailand
2. Assistant Dean for External Relations and Special Activities, Faculty of Medicine, Prince of Songkla university, Hatyai, Songkhla 90110, Thailand

Publications and Poster/Oral Presentations:

Rate and Predictive Factors for Sustained Complete Response after Selective Transarterial Chemoembolization (TACE) in Patients with Hepatocellular Carcinoma (Paper). *Asian Pac J Cancer Prev*, 19(12), 3545-3550
11. **Kittipitch Bannangkoon**, Keerati Hongsakul, Teeravut Tubtawee, Teerha Piratvisuth. Safety Margin of Embolized Area Can Reduce

Local Recurrence of Hepatocellular Carcinoma after Superselective Transarterial Chemoembolization (Oral Presentation). The 14th Annual Scientific Meeting of Asia Pacific Society of Cardiovascular and Interventional Radiology 2019 (APSCVIR), Bali, Indonesia, on February 2019

12. **Kittipitch Bannangkoon**, Keerati Hongsakul, Teeravut Tubtawee, Teerha Piratvisuth. Safety Margin of Embolized Area Can Reduce Local Recurrence of Hepatocellular Carcinoma after Superselective Transarterial Chemoembolization (Paper). Clin Mol Hepatol 2019 Feb ?. (Epub ahead of print)

Book Chapters

1. Chest X-ray 2 ; 2553. 375-92 (Screening for lung cancer; in Thai language)
2. ;2559. 453-514 (Ultrasound Guided Biopsy; in Thai language)
3. ;2559. 515-536 (Percutaneous Drainage of Collection and Abscess in Abdomen and Pelvis; in Thai language)
4. ; 2561. (Transarterial Chemoembolization for Hepatocellular Carcinoma; in Thai language)

Invited Lectures:

1. Poster presentation : **The Combination of MR Findings in Differentiation between Pyogenic and Tuberculous Spondylitis** .in The International Skeletal Society (ISS) Musculoskeletal Imaging Course at Rome, Italy on June 15, 2011
2. Oral presentation: **Endovascular treatment of the infra-popliteal artery in patient with critical limb ischemia based on Angiosome concept**. in Thai Society of Vascular and Interventional Radiology Annual Meeting at Chiangmai, Thailand on November 16, 2012
3. Poster presentation: **Transarterial embolization for the treatment of massive bleeding in gynecological and obstetrical emergencies: a single center experience**. in Thai Society of Vascular and Interventional Radiology Annual Meeting at Chiangmai, Thailand on November 16, 2012
4. Lecture presentation: **Advanced Hepatocellular Carcinoma: Can be treated?** . in Annual meeting of faculty Medicine , Prince of Songkla university, Songkhla, Thailand on August 8, 2014
5. Lecture presentation: **How to manage complication: Acute and sequelae after IR**. in Thai Society of Vascular and Interventional Radiology Annual Meeting at Bangkok, Thailand on October 24, 2015
6. Lecture presentation: **Endovascular treatment in Endoleak**. in Thai Society of Vascular and Interventional Radiology Annual Meeting at Bangkok, Thailand on October 24, 2015
7. Lecture presentation: **Ultrasound-guided biopsy: easy to perform**. In Annual meeting of Diagnostic Radiology Department: Common Problems in Radiology: made it easy, faculty Medicine , Prince of Songkla university, Songkhla, Thailand on January 21, 2016
8. Lecture presentation: **Concept of Lipiodol and conventional TACE**. in Thai Society of Vascular and Interventional Radiology Annual Meeting at Bangkok, Thailand on January 30, 2016
9. Case presentation: **Complication of cTACE**. in 1st PSU-HUSM inter-hospital case discussion at Songklanagarind hospital, Songkhla, Thailand on February 16, 2016
10. Lecture presentation: **The Angiosome concept for BTK intervention**. In the PSU Endovascular conference: Lecture and live

case demonstration at Songklanagarind hospital, Songkhla, Thailand on February 17-18, 2016

11. Operator in Live case, **PSU Endovascular conference 2016**: at Songklanagarind hospital, Songkhla, Thailand on February 17-18, 2016

12. Case presentation: **HCC roundtable discussion**. At Eastin Grand hotel Sathorn Bangkok, Thailand on July 3, 2016

13. Lecture presentation: **Angiosome concept for Critical Limb Ischemia**. In the Peripheral Arterial Disease: Live case and workshop at Songklanagarind hospital, Songkhla, Thailand on August 19-20, 2016

14. Organizing chairperson and operator in live case, **Peripheral arterial disease: workshop & live case**. at Songklanagarind hospital, Songkhla, Thailand on August 19-20, 2016

15. Moderator: **Anatomy Consideration in SIRT and SIRT in Cholangiocarcinoma**, The 2nd Bangkok Conference in Interventional Oncology 2016(BCIO), Bangkok, Thailand on September 29-30, 2016

16. Case presentation: **HCC case discussion**, The Occlusafe Workshop. At Interventional Suite, Bangkok hospital (Soi Soonvijai), Bangkok, Thailand on February 13, 2017

17. Operator in Live case, **PSU Endovascular conference 2017**: at Songklanagarind hospital, Songkhla, Thailand on February 15-17, 2016

18. Lecture presentation: **Southern Thailand-Northern Malaysia: East Coast Collaboration**, The 54th Royal College of Radiologists of Thailand (RCRT) meetings, Bangkok, Thailand on March 25, 2017

19. Lecture presentation: **cTACE: Hype or Hope. Experience from PSU hospital**, at NKC Institute of Gastroenterology and Hepatology, Songklanagarind Hospital, Songkhla, Thailand on May 24, 2017

20. Lecture presentation: **Selective cTACE: Experience from Thailand**, at Interventional Radiology Unit, National Cancer Center (NCC), Tokyo, Japan on Dec 6, 2017

21. Poster presentation: **Rate and predictive scores for sustained complete response after superselective conventional transarterial chemoembolization (TACE) in patients with unresectable hepatocellular carcinoma**. in Asia Pacific Society of Cardiovascular and Interventional Radiology (APSCVIR) at Auckland, New Zealand, on March 8-11, 2018

22. Lecture presentation: **Extreme IO case: How to Treat the Medium-Large sized HCC.** In TSVIR Advance Course on Interventional Oncology, Pattaya, Thailand on May 6, 2018
23. Operator in Live case, **PSU Endovascular conference 2018.** at Songklanagarind hospital, Songkhla, Thailand on February Aug 8-10, 2018
24. Lecture presentation: **1)Vascular access and closure devices 2)Vascular anatomy: Celiac, SMA, IMA and collateral 3)Post-operative care and common complications.** In Fundamental Interventional Radiology Skill Training (FIRST) conference: at Chulalongkorn Hospital, Bangkok, Thailand on August 25-26, 2018
25. Lecture presentation: **Transarterial Treatment of Small HCC.** In the 4th Bangkok Conference in Interventional Oncology 2018 (SIO meets BCIO), Bangkok, Thailand on September 6-7, 2018
26. Lecture presentation: **Interventional Radiology: Is the Game Changing of Medicine.** at Songklanagarind hospital, Songkhla, Thailand on September 12, 2018
27. Case presentation: **Aneurysm treatment.** The 21st Thai Society of Vascular and Interventional Radiology Annual Meeting at Bangkok: Never-Ending Education. Bangkok, Thailand, October 20-22, 2018
28. Case presentation: **Challenging HCC Case with Superselective cTACE.** in 3rd PSU-HUSM Inter-hospital Case Discussion and Collaboration Meeting at Songklanagarind hospital, Songkhla, Thailand on November 2, 2018
29. Lecture presentation: **Locoregional Therapy of HCC: Beyond The Guidelines.** The World Gastroenterology Organisation and the Gastroenterological Association of Thailand (WGO-GAT International Conference; GASTRO 2018). Bangkok, Thailand on Dec 5-8, 2018.
30. Lecture presentation: **IVC filter: Challenging and Complication.** In the TSVIR Miniconference: Once in my life, Bangkok, Thailand on December 14-15, 2018
31. Oral presentation: **Safety Margin of Embolized Area Can Reduce Local Recurrence of Hepatocellular Carcinoma after Superselective Transarterial Chemoembolization.** In the 14th Annual Scientific

Meeting of Asia Pacific Society of Cardiovascular and Interventional Radiology 2019 (APSCVIR), Bali, Indonesia, on February 21, 2019
32. Lecture presentation: **Next Generation HCC Treatment**. In the 14th Annual Scientific Meeting of Asia Pacific Society of Cardiovascular and Interventional Radiology 2019 (APSCVIR), Bali, Indonesia, on February 22, 2019
