

CURRICULUM VITAE

Brian Frederick Stainken, M.D.

Education

BS	Boston College -Honors program, magna cum laude	1975 – 1979
MD	Georgetown University -Armed Forces Health Professions Scholarship	1979 – 1983

Post Graduate Education

Internship	Basic Surgery San Diego Naval Hospital	1983 – 1984
Residency	Diagnostic Radiology San Diego Naval Hospital	1986 – 1990
Fellowship	Vascular and Interventional Radiology University of California, Los Angeles	1992 – 1993

Certification

American Board of Radiology	1990
American Board of Radiology: Certificate of Added Qualification (CAQ)- Vascular & Interventional Radiology	1995
Re-certification (CAQ) Vascular & Interventional Radiology	2004, 2015

Medical Licensure

Rhode Island (#11149)	2003
Maryland (#D 0056897) Inactive	2000
New York (#196777-1)	1994
Washington (#29717) Expired	1992
Wisconsin (#33143) Expired	1992
California (#042025)	1985
Massachusetts (#247730) (Expired)	2011
Connecticut (54556)	2015
DEA 2736950/CT0061077	
NPI 1285617845	

Employment History

Chairman, Department of Radiology The Stamford Hospital/ Stamford Health Stamford, CT	8/ 2015-present
President, Imaging Network of Rhode Island, Inc. Roger Williams Medical Center Providence, RI	5/2003 – 7/2015

Attending Physician, Department of Radiology University of Maryland, Baltimore MD	1/2001 – 5/2003
Attending Physician, Institute for Vascular Health and Disease Division of Vascular and Interventional Radiology Albany Medical College, Albany NY	1/1998 – 1/2001
Attending Physician, Department of Radiology Section of Vascular and Interventional Radiology Albany Medical College, Albany NY	8/1994 – 1/1998
Attending Physician, Department of Radiology Section of Vascular and Interventional Radiology University of California San Diego, San Diego, CA	7/1993 – 7/1994
Staff Radiologist Department of Radiology Naval Hospital Camp Pendleton, Camp Pendleton, CA	7/1990 – 7/1992
Physician, Emergency Department Naval Hospital Guam, Agaña Guam	7/1984 – 7/1986

Academic Appointments

Professor of Radiology (Adjunct) Boston University School of Medicine	2006 –2015
Associate Professor of Radiology and Surgery University of Maryland	2001 – 2003
Associate Professor of Radiology and Surgery Albany Medical College	2000 – 2001
Assistant Professor, Radiology Albany Medical College	1994 – 2000
Assistant Professor, Radiology University of California, San Diego	1993 – 1994
Instructor, Vascular and Interventional Radiology University of California, Los Angeles	1992 – 1993

Hospital and Administrative Appointments

Chairman, Department of Radiology The Stamford Hospital/ Stamford Health Stamford, CT	8/ 2015-present
Chairman, Diagnostic Imaging Department Roger Williams Medical Center Providence, RI	5/2003 – 7/2015

Division Chief Vascular and Interventional Radiology Department of Diagnostic Radiology University of Maryland	1/2001 – 5/2003
Division Chief, Vascular and Interventional Radiology Co-Director, Institute for Vascular Health and Disease Albany Medical College	1/1998 – 1/2001
Fellowship Program Director, Vascular/Interventional Radiology Albany Medical College	7/1995 – 7/1998
Section Head, Vascular & Interventional Radiology Albany Medical College	7/1995 – 1/1998
Co-Section Head Vascular & Interventional Radiology Albany Medical College	12/1994 – 7/1995

Professional Activity

National

Society of Interventional Radiology	
Board of Directors	2012-present
Immediate Past President	2010
President	2009
President Elect	2008
Secretary	2007
Internal Affairs Division Councilor	2006 – 2007
Executive Council	2003 – 2004
Annual Meeting Committee	
Annual Meeting Chair	2004
Scientific Program Chair	2003 2003
Workshop Program Chair	2002
FDA Committee/device forum	2001 – 2015
Newsletter Committee	1997 – 2002
Editor SIR News	
Council Advisory Committee	1997 – 2000
Executive Director Search Committee	2004
Executive Director Search Committee	2010
Chairman	

Professional Activity (cont.): National

SIR Leadership Academy Program Director	2009, 2011
Y 90 Are You Ready Course Co-director	2011
Faculty	2012-2016
International Task Force Chairman	2012-2015
Division Councilor	2015-present
Strategic Planning Session	2012,2017

Radiological Society of North America	
Presiding Officer	2002 – 2006
Scientific Program Committee	2002 – 2005
American Board of Radiology	
Oral Board Examiner	2002 – Present
Exam Standard Setting (Angoff) Committee	2018 – present
US Agency for Health Care Research Quality	
Research on Comparative Management of Uterine Fibroid Disease Stakeholder Committee	2010

Regional

Rhode Island Radiological Society	
President	2012
New England Society of Interventional Radiology	
President	2006
Northeastern New York Radiology Society	
President	1995 – 2000
Capital Region Angio/Interventional Radiology Club	
President	1996 – 1998

Hospital

Stamford Hospital/Stamford Health	
Executive Committee of the Medical Staff	2015
Quality Council	2015
Search Committee	2016
Surgery Chair, Medicine Chair	
Cancer Committee, Trauma Committee	2015
Roger Williams Medical Center	
Clinical Events Variance Committee	2008
Cancer Center Steering Committee	2009
Executive Committee of the Medical Staff	2003
Chief Executive Officer Selection Committee	2005
Strategic Planning Committee	2003
Radiation Protection Committee	2003
Cancer Committee	2004

Professional Society Membership

Rhode Island Radiological Society	2004 – 2015
New England Society of Interventional Radiology (NESIR)	2004 – 2015
Society of Interventional Radiology (SIR)	1987 – Present
Radiological Society of North America (RSNA)	1986 – Present
American Roentgen Ray Society (ARRS)	1986 – Present
Association of University Radiologists (AUR)	1998 – Present
American Society for Interventional and Therapeutic Neuroradiology	2001 – 2007
American Medical Association	2005 – Present
Capitol Region Angio/Interventional Club	1996 – 2001
Cardiovascular and Interventional Radiological Society of Europe	1994 – Present
American College of Radiology	1998 – Present

Awards, Honors:

Honorary Member,

Chinese Society of Interventional Radiology, 2014
Asia Pacific Society of Cardiovascular and Interventional Radiology, 2019
Gold Medal,
Association of Vascular and Interventional Radiographers, , 2005
Fellow, Cardiovascular and Interventional Radiological Society of Europe
Fellow, Society of Interventional Radiology
Fellow, American College of Radiology
Examiner, American Board of Radiology

Editorial Tasks

Co-Editor, Interventional News	2004 – 2010
Editor in Chief, The Interventionalist tm	2001 – 2003
Editor, SCVIR News	1999 – 2001
Co editor SCVIR News	1997 – 1999
Guest Editor, SCVIR Case Club. July 1998.	
Guest Editor, SCVIR Case Club. August 1998.	

Grant Support

Investigator
National Phase 2 trial of Aortic Stent Graft for the Transcatheter
Treatment of Abdominal Aortic Aneurysm.
Combined Vascular Surgery and Vascular Radiology Site,
IDE G9101777(Endovascular Systems Inc) Completed.

Principal Investigator
"Possis AngioJet Rheolytic Thrombectomy System for the
Removal of Thrombus in AV Access Grafts and in Peripheral
Arteries and Grafts" (Possis Medical Incorporated). Completed.

Principal Investigator
"Safety Evaluation of the Concentration of Silver and Platinum
in the Blood and Urine of Subjects Receiving the
Implemed Olimpcc Peripherally Inserted Catheter"
(Implemed Incorporated). Completed.

Principal Investigator
"Prospective Randomized Comparison of Percutaneous
Transluminal Angioplasty with or without the Corvita
Endoluminal Vascular Graft Used as Immediate or Late
Adjunctive Therapy for the Treatment of Iliac Artery
Occlusive Disease. (Corvita Corporation) Completed.

Principal Investigator
"A Feasibility Study of the Corvita Endoluminal Graft
for the Treatment of Abdominal Aortic Aneurysms with or
without Iliac Artery Involvement" (Corvita Corporation) Completed.

Investigator
"Phase II Trial of Cryoablation for Treatment of Unresectable
Colorectal Hepatic Metastases"
(Eastern Cooperative Oncology Group).

Principal Investigator
"Baxter Percutaneous Mechanical Thrombectomy Device Study.
(Baxter Corp.) Completed.

Investigator

"A Clinical Study Comparing Use of Bifurcated Excluder Endoprosthesis to Open Surgical Repair in the Primary Treatment of Infra-renal Abdominal Aortic Aneurysms. (GORE) Completed.

Principal Investigator

"A Prospective Evaluation of the Meadox VANGUARD and PASSAGER Endoprostheses for Elective Treatment of Infra-Renal Abdominal Aortic Aneurysms and Aortoiliac Aneurysms in Humans."
(Boston Scientific/Meadox) Completed.

Principal Investigator

"High Risk Protocol: Use of the VANGUARD and PASSAGER Endoprostheses for the Elective Treatment of Infra-Renal Abdominal Aortic Aneurysms and Aortoiliac Aneurysms in a population that is at high risk for open surgical procedures.
(Boston Scientific Vascular) Completed.

Principal Investigator-

"A Randomized Clinical Trial to Evaluate the Efficacy and Safety of the Symphony Nitinol Stent System as Compared to the Schneider Wallstent in the Treatment of Patients with Iliac Artery Stenoses that Have a Suboptimal Angioplasty Result."
(Boston Scientific Corporation) Completed.

Principal Investigator

"TF0400 Extension:
Vasca LifeSite Hemodialysis Access System Clinical Study.
(Vasca)

Principal Investigator-

"A Randomized, Prospective, Multicenter, Comparative Evaluation of the Wallstent Iliac Stent and the Bard Memotherm Iliac Stent for the Treatment of Iliac Occlusive Disease".
(Bard)

Principal Investigator

"Evaluation of a Nitinol Stent and Delivery System for the Treatment of Carotid Artery Stenosis".
(Cordis)

Clinical Trial Administration:

Data Safety Monitoring Committee: Wall graft Trauma/aneurysm. Boston Scientific Corporation
Data Safety Monitoring Committee: Bravo (Brachytherapy for Restenosis) Novoste
Data Safety Monitoring Committee: Renaissance Renal Study. Boston Scientific Corporation

38. **Stainken B**, Gomes A, Rose S. Interventional Approaches to the Management of Massive Hemobilia-Transhepatic Tract Embolization, *Journal of Vascular and Interventional Radiology*, 4:1. 3/93

Invited Lectures

1. Thoughts on promoting IR in Africa: What I've learned from my travels throughout the world. Society of African Interventional Radiology and Endovascular Therapy (SAFIRE), January 17, 2019
2. SIR International. Middle Eastern Endovascular Therapy Symposium (MEET), Cairo Egypt January 16-18 2019
3. *Vertebral Augmentation, Radioembolization, Certification and Accreditation*, Chinese College of Interventionalists (CCI) Nanjing China June 14-17, 2018
4. Diabetic Peripheral Arterial Disease, Stamford Hospital Surgery Grand Rounds May 24, 2018
5. *Diabetic Peripheral Vascular Disease*, SIR International:Market Differentiation. Asia Pacific Society of Interventional Radiology, Auckland New Zealand, Feb 28-March 11
6. Stents in the SFA, Stents: Aorto Iliac Occlusive Disease, Indian Society of Interventional Radiology February 11-14?, 2018
7. Diabetic Peripheral Artery Disease, Stamford Hospital Medical Grand Rounds Oct 18,2017
8. Trends in IO management in Lung and Bone Cancer, Renal and other GU primaries: Is Renal Ablation the Gold Standard? Asia Pacific Society of Interventional Oncology Delhi India August 25-27,2017
9. How and when should we assess response to therapy? Symposium on IR management of HCC Hyderabad India August 24, 2018
10. SIR. Society Iberoamericano de Interventional Radiology (SIDI) Cartagena Columbia August 3-6 2017
11. Lung Ablation: Patient Selection, Celiac Plexus Block: Technique and novel applications. Chinese

- Society of Interventional Radiology (CSIR) Zhengzhou China June 16-18 2017
12. Liver Directed Therapy. Stamford Hospital Surgery Grand Rounds May 11,2017
 13. Arterial Brachytherapy: A story about converging technologies. SIRTEX Y 90 Dinner, Stamford
 14. Basic Principles of wires, balloons, and stents, Basic Embolization. Indian Society of Interventional Radiology (ISVIR) Kolkata India Feb 23-26 2017
 15. Avoiding complications in liver RFA, Fibrinolysis in Acute Limb Ischemia. 19th Congress of the Brazilian Society of Interventional Radiology and Endovascular Surgery (SOBRICE). Sao Paulo, Brazil. July 14-16, 2016
 16. IR Education and Training, SIR International. Asia Pacific Congress Cardiovascular Interventional Radiology. (APSCVIR). 21-24 April 2016.Suzhou China.
 17. International Virtual Sessions (Moderating) Society of Interventional Radiology (SIR) 2016 Vancouver April 1-5 2016
 18. Role and Evidence of Stents: Which one to use and Where?, Evidence and practice since TASC. Indian Society of Vascular and Interventional Radiology (ISVIR) Feb 18-21, 2016. Bangalore, India.
 19. Top Five Errors with Radiation Delivery, Side Effects and Complications: What to expect and how to manage them, Professional coding and Reimbursement. Y 90 The Complete Course. January 20-22 2016, San Francisco, CA

Invited Lectures (continued)

20. Below the Knee Interventions in TASC C and D lesions: Where do we stand?. Is Ablation a 'valid' treatment for Lung Metastases?, How do you start a Radio embolization Program?. 18th Congress of the Brazilian Society of Interventional Radiology and Endovascular Surgery (SOBRICE) July 9-11, 2015
21. Trauma, A Global Perspective, Embolization in Trauma. Society of Interventional Radiology (SIR), Feb 28-March 2, 2015. Atlanta GA.
22. Peripheral Vascular Disease: What's Important. Indian Society of Interventional Radiology (ISVIR). Hyderabad, India Feb 19-22,2015
23. IR/SIR in Latin America, Percutaneous Ablation, Overview/tools of the trade, Word Congress of Interventional Radiology (WCIO), Buenos Aires, Argentina. October 16-18, 2014
24. Peripheral Vascular Disease, Non oncologic liver Interventions. Global Interventional Radiology Symposium, Chennai India, Sept 6-7, 2014
25. Current Status of International Interventional Radiology. Chinese Society of Interventional Radiology, Changsha, China. June 12-15, 2014
26. Oncology Interventions (basic), Oncology Interventions (advanced), SIR and Latin America. First International Congress of Interventional Radiology . Lima, Peru. May 9-10, 2014

27. Pearls in CT guided Interventions, BRTO versus TIPS, First International Forum for Liver Specific Imaging and Intervention, Ulaanbaatar, Mongolia. April 11-12 2014
28. iPod, iPad, iR: Public speech, Health Science University of Mongolia, Ulaanbaatar, Mongolia 12 April 2014
29. Lung Ablation, SIR: Our Story: Indian Society of Interventional Radiology 2014, Mumbai India April 5, 2014
30. Growing by Increasing Influence (Categorical Course), SIR 2014 San Diego, March 25, 2014
31. SIR Global: Latin America:, SIR 2013 Annual Meeting, New Orleans LA April 15, 2013
32. Will Interventional Oncology Change Cancer Care?, New Ablation Devices, Future of Interventional Oncology, Introduction to Ablation: Indian Society of Interventional Radiology 2013, Coimbatore India, February 14-17, 2013
33. Interventional Oncology, Current Trends in the Diagnosis and Treatment of GI Malignancies, Sturdy Hospital, Attleboro MA October 20, 2012
34. Future IR Techniques: Chinese Society of Interventional Radiology, Nanjing China, October 12-14, 2012
35. Potpourri of Pearls: SIR 2012 Annual Meeting, San Francisco CA March 25, 2012
36. Historical Perspectives: Y90 Are U Ready? Scottsdale AZ Feb 9-12, 2012
37. Historical Perspectives, Economics of Cancer Care, Steering Committee: Y90 Are U Ready? Scottsdale, AZ February 9-13, 2011

Invited Lectures (continued)

38. Embolic devices, UFE, Trauma Embolization: Embolotherapy 2010 October 21-22, 2010, Hospital Italiano, Buenos Aires, Argentina
39. International Strategic Plan: Cardiovascular and Interventional Radiology Society of Europe (CIRSE) Press Conference, October 1, 2010
40. Y- 90 in the Elderly, Status of IR in the US, Below the Knee Interventions: Chinese Society of Interventional Radiology (CSIR) Guanajuato, China September 7-11, 2010
41. Status of IR in the United States: Japanese Society of Interventional Radiology Annual Meeting, Tokyo, Japan May 19-21, 2010
42. Medicine and the Mortgage Industry: Lessons about limits: Vascular Access Society of the Americas (VASA) Las Vegas, NV May 13, 2010
43. Why Leadership is Important to Our Future, Why Bother, What Motivates Us? Introduction to IR and SIR (SIR Hospital Administrators Track), Patient Care in Interventional Oncology (AVIR), SIR Annual Meeting 2010, Tampa FL, March 14, 2010
44. Selective Internal Brachytherapy, Portal Vein Embolization, Interventional Oncology Interactive Session: SOBRICE, Sao Paulo, Brazil, November 4-8, 2009.

45. Update on the SFA and Distal Circulation: Tips and Techniques for Crossing Chronic Occlusions, SIR: What's Up:. AVIR Meeting, Baltimore, MD, October 24-25, 2009.
46. Research and Education in Interventional Radiology: ACR Intersociety Summer Conference, Calgary, Canada, July 27-31, 2009.
47. Inaugural SIR Leadership Academy (Course Director), Chantilly, VA, June 8-10, 2009
48. Caring for Cancer Patient. AVIR 19th Annual Scientific Meeting. San Diego, CA March 11, 2009.
49. The Practice of IR: What Works. SIR 34th Annual Scientific Meeting. San Diego, CA, March 7, 2009.
50. Procedural Complications. ACR Intersociety Summer Conference, Lake Tahoe, CA, July 18, 2008.
51. Should SIR Open its Membership to all Specialties? SIR 33rd Annual Scientific Meeting, Washington, DC, March 16, 2008.
52. Caring for Cancer Patient. AVIR 20th Anniversary Meeting, Washington, DC, March 17, 2008.
53. Overview of Interventional Radiology. Mini Medical School Lecture, Roger Williams Medical Center, Providence, RI, May 16, 2007
54. Interventional Radiology – Complimenting Endoscopy at The 9th Roger Williams Providence Nurses Course, November 3, 2007, Westin Hotel, Providence, RI
55. Invited Speaker: “Diabetic Vasculopathy” The 14th Chinese Congress of Radiology. October 18-21, 2007, Nanjing, China

Invited Lectures (continued)

56. Endografts: Update on Minimally Invasive Treatments for Aortic Aneurysms. Medtronic Endovascular Vision Forums. Providence, RI May 4, 2006
57. Overview of Interventional Radiology. Mini Medical School Lecture, Roger Williams Medical Center, Providence, RI, October 19, 2006
58. Caring for the Cancer Patient; SFA Disease – State of the Art. BIRT Conference, Baltimore, Maryland, October 7-8, 2006
59. Liver Cancer: Targeted Therapies; SFA Occlusion Disease: Are We There Yet? AVIR 16th Annual Scientific Meeting. Sarasota Springs, NY September 23, 2006
60. Future of Interventional Radiology. AVIR 15th Annual Scientific Meeting. Toronto, CA March 31, 2006
61. Minimally Invasive Palliative Care of Metastatic Disease. Current Therapy in Colon and Rectal Cancer 2nd Annual Symposium. Warwick, RI March 18-19, 2006
62. Pulmonary Interventional Radiology. Medical Grand Rounds, Roger Williams Medical Center, Providence, RI. February 7, 2006
63. Oncologic IR: Caring for the Cancer Patient. AVIR 15th Annual Scientific Meeting. AVIR Gold Medal

Lecture. New Orleans, LA. April 3, 2005

64. Minimally Invasive Interventions for Renal Artery Stenosis. 2004 Symposium on Minimally Invasive Surgery. Connecticut Vascular Institute. Foxwoods Resort & Spa, Mashantucket, CT. November 4, 2004
65. New Developments in Thrombolytic Therapy. Cardiovascular and Interventional Radiological Society of Europe (CIRSE). Barcelona, Spain. September 29, 2004
66. Radiology Work-Up in Intestinal Malignancies. Colorectal Cancer Symposium, Providence, RI March 25, 2004.
67. Special Focus Session. Radiological Society of North America (RSNA). RSNA 89th Scientific Assembly and Annual Meeting. Chicago, IL. December 4, 2003
68. State of the Art in Interventional Radiology. Surgical Grand Rounds, Roger Williams Medical Center, Providence, RI October 22, 2003
69. Industry, FDA and Stent Grafts: Protecting Patients or Shareholders; Percutaneous Arterial Closure Devices: Which One to Use and When; Morbidity and Mortality Case Review: Vascular Interventions; What Do Coated Stents Mean for Peripheral Interventions? 10th Annual Interventional Radiology and Vascular Imaging Conference, University of Pennsylvania School of Medicine, Philadelphia, PA September 29 – October 3, 2003
70. Transcatheter interventions for blunt trauma, Transcatheter interventions in penetrating trauma. Trauma Radiology, 2nd Nordic Course. Stockholm Sweden. May 27-29, 2002
71. Industry, FDA, and Stent-grafts: Protecting Patients or Stockholders? Closure Devices for Arterial Puncture, Arterial Applications of Mechanical Thrombectomy Devices. University of Pennsylvania 9th Annual Interventional Radiology and Vascular Imaging 2001. Philadelphia, PA May 6-9, 2002

Invited Lectures (continued)

72. Peripheral Vascular Stent Update. Plenary Sessions AVIR Annual Meeting, Baltimore, MD. April 4-8 2002
73. Peripheral Vascular Stent Update. Plenary Sessions SCVIR Annual Meeting, Baltimore, MD. April 4-8, 2002
74. Mechanical Thrombectomy in Hemodialysis Access. Categorical Course SCVIR Annual Meeting, Baltimore, MD. April 4-8, 2002
75. Is the Vascular Center a myth?, Renal Angioplasty and Stenting: Who and How?: Stanford Vascular Symposium: Frontiers in Vascular Disease '01. Pebble Beach, CA October 18-21, 2001
76. The IR approach to hemodialysis access: Renal Care Group. Indianapolis IN. October 9, 2001
77. Interventional Radiology for Hemodialysis Access, 3rd Annual Meeting: Thailand Cardiovascular and Interventional Radiology Society. Bangkok, Thailand. September 12-13, 2001
78. Arterial Applications for Mechanical Thrombectomy: 7th International Workshop on Interventional Radiology. Prague, Czech Republic. June 7-9, 2001
79. Vascular CTA/MRA, Aortic Stent Grafts: Designs that work, designs that don't. Eighth Annual Penn-Hopkins-Maryland Conference on Interventional Radiology Harbortowne, MD June 1-3, 2001

80. The Role of NP's and PA's in a Vascular Center: Vascular Centers 2001 'Partnering for the future of Quality Patient Care'. Atlanta GA April 27-28, 2001
81. Why We Seceded from Radiology and Formed a Vascular Center, E& M Coding: How to Code so you will Collect, Nurse Practitioners and Physician Assistants: How to Best Incorporate them into an Interventional Radiology Service, Uterine Artery Embolization: Technique and Peri-procedural Pain Management. Can it be an Outpatient Procedure? Montefiore Meeting- 8th Current Issues and New Techniques in Interventional Radiology and Endovascular Therapy. New York Marriott Marquis, New York, NY November 14-17, 2000
82. Arterial Applications of Mechanical Thrombectomy Devices. 8th Annual Interventional Radiology and Vascular Imaging 2000. The Rittenhouse, Philadelphia, Pennsylvania. October 4-7, 2000
83. Closure Devices for arterial Puncture: 8th Annual Interventional Radiology and Vascular Imaging 2000. The Rittenhouse, Philadelphia, Pennsylvania. October 4-7. 2000
84. Vascular Centers of Excellence: A New Model for a New Millennium. 8th Annual Interventional Radiology and Vascular Imaging 2000. The Rittenhouse, Philadelphia, Pennsylvania. October 4-7, 2000
85. Endografts & Stenting? Northeast Cardiology Update. Saratoga NY June 7, 2000
86. Endovascular Graft Surgery for Abdominal Aortic Aneurysms. Technology Assessment/Clinical Utilization Management Meeting, Empire Blue Cross, Albany, NY April 25, 2000
87. Mechanical Thrombectomy: AV Access". Practical Interventional Radiology A weekend Update, Royal Sonesta Hotel, Cambridge, MA April 8, 2000

Invited Lectures (continued)

88. iagnosis and Management of Endoleaks. 7th Annual Vascular Disease Update: Evaluation and Treatment of Vascular Disease, Albany, New York. April 1, 2000
89. Interventional Radiologists Perspectives on Vascular Centers. Vascular Interventions in the Millennium: A Multidisciplinary Approach II A Live Demonstration Course, Atlanta, GA. December 9-11, 1999
90. Angiography of the Knees. University of Pennsylvania Medical Center, Philadelphia, PA. November 9-10, 1999
91. Tentative Mechanical Thrombectomy for Lower Extreimity Ischemia. University of Pennsylvania Medical Center, Philadelphia, PA. November 9-10, 1999
92. Aortic Endografts: How to Get Started, "Hands on" Endograft Training Course, Memphis, TN September 23-25, 1999
93. Carotid Revascularization, Vascular Disease Symposium, Albany, NY. May 15, 1999
94. Vascular Centers: Models for Financial Integration. Combined Vascular Centers Conference, Rosemont, IL. May 1, 1999
95. Endografts: The Albany Medical Experience. Surgical Grand Rounds. St. Peters Hospital, Albany, NY April 9, 1999.

96. The Role of NPs and PA's in Interventional Radiology, Categorical Course, Society of Cardiovascular and Interventional Radiology Annual Meeting, Orlando, FL. March 20, 1999
97. Joint Ventures with Vascular Surgery: Are they Working? Plenary Session Society of Cardiovascular and Interventional Radiology Annual Meeting, Orlando, FL. March 21, 1999
98. Renovascular and Carotid Interventions. Surgical Grand Rounds. Ellis Hospital. Schenectady, NY. November 9, 1998
99. Brooklyn Endovascular Institute, Schneider/Corvita Endovascular Aortic Graft Training Symposium. June 18, 1998
100. Arterial Interventions, University of Pennsylvania Interventional Radiology Retreat, Skytop, PA June 6, 1998
101. Mechanical Thrombectomy. Massachusetts General Hospital. Boston, MA April 15, 1998
102. Visiting Professor, Massachusetts General Hospital Department of Radiology. Boston, MA April 15, 1998
103. Mechanical Thrombectomy, New England Angiography Society. Boston, MA. April 14, 1998.
104. Renovascular Interventions, Surgical Grand Rounds, St. Peters Hospital, Albany, NY April 10, 1998
105. Renal Interventions, Vascular Disease Symposium. Albany, NY March 14, 1998
106. Vascular Access: Lessons Learned. Syracuse Angio Club February 10, 1998

Invited Lectures (continued)

107. Rheolytic Thrombectomy, Initial experience with the Possis Angiojet, Hartford Angio Club. October 16, 1997
108. Renal Stents: The Albany Med Experience, Issues in Primary Care Cardiology. September 28, 1997
109. Percutaneous Management of Vascular Malformations. Vascular Malformations Seminar, Albany Medical Center, Albany, NY. November 19, 1996
110. Venous Thrombolysis Washington County Medical Society, Cambridge, NY. October 9, 1996
111. Percutaneous Management of Hemodialysis Access. Department of Internal Medicine, Albany Medical College, Albany NY. February 1996.
112. Problematic Cases in VAD Placement. Vascular Access Teaching Day, Krouse Memorial Hospital, Syracuse NY. January 31, 1996
113. Interventional Radiology in the Genitourinary System. Department of Urology, Albany Medical College, Albany, NY. December 1995.
114. Cryoablation of the Prostate - Is it here to stay? Prostate Cancer Symposium, Albany Medical College, Albany, NY. September 1995

115. Prostatic Cryoablation. Albany Medical College, Albany, NY Prostatic Imaging Course: July 1995
116. Prostatic Cryoablation. Albany Medical College, Albany, NY Prostatic Imaging Course: March 1995
117. Image Guided Vascular Access Device Placement. Vascular Access Teaching Day, Krouse Memorial Hospital, Syracuse NY. January 31, 1995
118. Percutaneous Therapy for Hepatic Malignancy. Albany Oncology Society, Albany, NY. January 1995
119. Prostatic Cryoablation - Experience in 300 Cases. Local Tumor Therapy Symposium, Milan, Italy. October 1994
120. Prostatic Imaging Course: Prostatic Cryoablation. Albany Medical College, Albany, NY. October 1994
121. Fall Interventional Radiology Course: Interventional Uroradiology. University of California at San Diego, San Diego, CA. October 1994
122. Prostatic Imaging Course: Prostatic Cryoablation. Albany Medical College, Albany, NY. August 1994
123. Vascular Embolotherapy. University of California at San Diego, San Diego, CA. Spring Interventional Radiology Course: April 1994

Invited Lectures (continued)

124. Radiology for Non Radiologists: Renovascular Hypertension. University of California at San Diego, San Diego, CA. October 1993
125. Spring Interventional Radiology Course: Interventional Uroradiology. University of California at San Diego, San Diego, CA. April 1993
