

## CURRICULUM VITAE

**Name:** Cheng, Yu Fan 鄭汝汾

**Sex:** Male

**Citizenship:** Chinese

**Office Address:** Department of Diagnostic Radiology  
Kaohsiung Chang Gung Memorial Hospital  
123, Ta Pei Road, Kaohsiung, Taiwan.

**Language:** Chinese & English

**Education:** Bachelor of Medicine: 1976-1983, China Medical Collage, Taiwan.

### Post-Graduate Education:

July 1981 -- June 1983	Rotating Internship, Chang Gung Memorial Hospital, CGMH, Taiwan.
July 1983 -- June 1986	1st, 2nd and 3rd year residency of Diagnostic Radiology, CGMH
July 1986 -- June 1987	Chief resident of Diagnostic Radiology CGMH
Sep 1990 -- Dec 1990	MRI fellowship at Mallinckrodt Institute of Radiology, Washington University School of Medicine, St. Louis, Missouri, U.S.A.

### Employment Record:

July 1987	Attending staff in Diagnostic Radiology, CGMH
July 1992	Lecturer in Diagnostic Radiology, CGMH
July 1996	Associate Professor in Diagnostic Radiology, CGMH
July 2002	Professor in Diagnostic Radiology, CGMH
July 1999 -- June 2001	Chief, Department of General Diagnostic Radiology, KSCGMH
July 2006- 2007	Director of Medical Research Department, KSCGMH
July 2001 --2015	Director, Department of Diagnostic Radiology, KSCGMH
Oct. 2009 --2015	Director of Cancer Center, KSCGMH
Jan. 2016- Present	Chair of the Research Advisory Committee

Jan. 2015- Present

Chair of the Ethics Committee

**Academic Appointment:**

1995	Lecturer	Ministry of Education, Taiwan.
1997	Associate Professor	Ministry of Education, Taiwan.
2003	Professor	Ministry of Education, Taiwan.
1999	Associate Professor	Chang Gung University
2005	Professor	Chang Gung University
1997	Associate Professor	Chia Nan Pharmacological College
1993	Lecturer	Fooyin Medical Technology College
1997	Associate Professor	Fooyin University
2004	Professor	Fooyin University

**Board Certification and Date:**

Radiological Board of R.O.C.  
(No. 196) Sept. 1987.

**Member and Society:**

The Radiological Society of ROC  
The Formosan Medical Society, Taiwan.  
The Neurological Society, Taiwan.  
The Radiological Society of North America  
Magnetic Resonance Image Society, U.S.A.  
Ultrasound Medical Association, Taiwan

**Honor & Scientific Awards:**

1985:	Best Chief resident in Chang Gung Memorial Hospital,
1999-2001:	National Science Council A grade Research Award
1999-2001:	CGMH Research Award (Associate Professor)
2001:	Best poster award (2000) (Annular meeting of Radiological Society of the Republic of China Taipei, Taiwan, March 2000)
2002-2015:	CGMH Research Award (Professor)
2005:	Consultant, Vascular and Interventional Foundation, Hong Kong.

- 2005: Travel awards: Hepatocellular carcinoma in liver transplantation, (11<sup>th</sup> Annual International Congress of International Liver Transplantation Society), Los Angeles, California, USA
- 2007: Best poster award (2007): Portosystemic shunt in experiment liver transplantation. (Annular meeting of Radiological Society of the Republic of China Taipei, Taiwan, March 2007)
- 2007: Outstanding scientific papers of the year 2007 award: Liver Graft-to-Recipient Spleen Size Ratio as a Novel Predictor of Portal Hyperperfusion Syndrome in Adult Right Lobe Living Donor Liver Transplantation. Am J Transplantation: 2006;6:2994-9. Radiological Society of the Republic of China Taipei, Taiwan, March 2007
- 2009: Poster of Distinction: Liver graft regeneration in right lobe adult living donor liver transplantation. ILTS 15<sup>TH</sup> Annual International Congress, New York, July 8-11, 2009.
- 2010 The 2010 Joint International Congress of ILTS, ELITA, & LICAGE in Hong Kong.: Chair of the abstract review category titled “**Radiology**”
- 2010: Outstanding scientific papers of the year 2010 award: Liver Graft Regeneration in Right Lobe Adult Living Donor Liver Transplantation. Am J Transplant. 9: 1382–1388, 2009. Radiological Society of the Republic of China Taipei, Taiwan, March 2010
- 2010: Symbol of National Quality (Taiwan): Imaging in liver transplantation, Department of Radiology
- 2010: Silver Metal: National Biotechnology and Medical Care Quality Award (Taiwan), Department of Radiology
- 2011: The 2011 Joint International Congress of ILTS, ELITA, & LICAGE in Valencia, Spain.: Chair of the abstract review category titled “**Radiology**”
- 2011: Outstanding scientific papers of the year 2011 award: Vascular stents in the management of portal venous complications in living donor liver transplantation. Am J Transplant. 2010;10:1276-83.. Radiological Society of the Republic of China Taipei, Taiwan, March 2011.
- 2011: Rinsing Star symposium award: Diffusion-Weighted MRI for assessment of liver graft rejection after liver transplantation. 2011 Joint International Congress of ILTS, ELITA & LICAGE, Valencia, Spain. 22-25 June 2011. Mentor: Yu Fan Cheng; Mentee: Leo Leung-Chit Tsang

- 2012: 24th International Congress of The Transplantation Society. Congress Program Planning Meeting, Abstract reviewer. Berlin, Germany.
- 2015: Guatemala Health Contribution Award
- 2015 Central American Parliament Health contribution medal

### **Visiting Professor**

- 2004: Visiting Professor, Guangzhou University of T.C.M. Guangzhou, China.
- 2006: Visiting Professor (Clinical), Nankai University, affiliate Hospital. Tianjin Third Center Hospital, Tianjin, China
- 2006: Visiting Professor (Surgery), Chinese PLA Postgraduate Medical School, Chinese PLA General Hospital, Beijing, China
- 2008: Visiting Professor (Radiology), Shanghai Jiao Tong University, Shanghai, China
- 2016: Visiting Professor (Radiology), The Chinese University of Hong Kong, Hong Kong

### **Demonstrated teaching program**

1. First living related liver transplantation in Philippine National Kidney Institute, Philippine, Nov. 1996
2. First right lobe living related liver transplantation in China. Beijing University first affiliate Hospital. Beijing, China. Nov. 12, 2001.
3. First adult to adult living related liver transplantation in Beijing. Peking Union Hospital. Beijing, China. Jan. 31, 2002
4. First living related liver transplantation in Renji Hospital, Medical School of Shanghai Jiaotong University, Shanghai, China. Oct. 22, 2006.
5. Second living related liver transplantation in Renji Hospital, Medical School of Shanghai Jiaotong University, Shanghai, China. Jan. 6, 2007.
6. First pediatric living related liver transplantation in Beijing University third affiliate Hospital. Beijing, China. April 28, 2007.
7. Live demonstration: Drug eluting bead TACE in treatment of HCC. Multidisciplinary oncology symposium Malaysia. Subang Jaya, Malaysia. May 12, 2017.
8. Live demonstration: Drug eluting bead TACE in treatment of HCC. The First Affiliated Hospital of Soochow University, Soochow, China. June 22, 2017.
9. 6 pediatric living donor liver transplantation in Beijing Tsinghua Chang Gung Hospital,

Tsinghua University, Beijing, China Dec. 15-22, 2017.

**Professional Affiliations:**

- 1998 - Present: Board Member of Editorial Committee (Chin J Radiol)
- 2000 -Present: Board Member of Education Committee. (The Radiological Society of ROC)
- 2002- Present: Board Member of Editorial & Research Committee, National Science Council
- 2003-05: Member of Associate Professor Promotion Committee, CGMH
- 2004:06: Board Director of Executive Council, Radiological Society Republic of China
- 2004:05: Board Director of Executive Council, Ultrasound Medical Association of the Republic of China
- 2004: Reviewer: Transplantation
- 2004-8: Board Member of examination Committee, Radiological Board of ROC
- 2004-5: Board Member of Research Committee, CGMH
- 2005-8: Board Member of Research Committee, National Science Council
- 2005-8: Reviewer: Professor Promotion Committee, National Taiwan University
- 2005 Member of Professor Promotion Committee (Oral examination), CGMH
- 2005-8: Member of Clinical Professor & Associate Professor Promotion Committee, CGMH
- 2005-8: Member of Department Chief Election Committee, CGMH, Kaohsiung
- 2005 Reviewer: Liver Transplant
- 2006 External examiner of Medial Doctor Degree, Graduate School, The Chinese University of Hong Kong
- 2008-09 Board Director of Executive Council, Ultrasound Medical Association of the Republic of China
- 2008-17 Reviewer: Liver Transplant, American Journal of Transplantation.
- 2010 The 2011 Joint International Congress of ILTS, ELITA, & LICAGE, Congress Program Planning Meeting, Chair of the abstract review category “Radiology”, ILTS 16<sup>th</sup> Annual International Congress. Dallas, USA, Feb 5, 2010
- 2009-17 Board Director of Executive Council, Ultrasound Medical Association of the Republic of China

- 2010-17 Board Director of Executive Council, Radiological Society Republic of China
- 2010-2017 Reviewer: Liver Transplant, American Journal of Transplantation, Clinical Transplant & Transplantation
- 2011 The 2011 Joint International Congress of ILTS, ELITA, & LICAGE, Congress Program Planning Meeting, Chair of the abstract review category “Radiology”, ILTS 17th Annual International Congress, San Francisco, USA, Feb 5, 2011
- 2018 Board Director of Executive Council, Taiwan Society of interventional Radiology.
- 2018 The 2018 Joint International Congress of ILTS, ELITA, & LICAGE, Chair of the Radiology, ILTS.

**Moderator:**

- 1996: First living related liver transplantation meeting, Kaohsiung 1996
- 2000: Annular meeting of Radiological Society of the Republic of China. Taichung, March 2000.
- 2001: Annular meeting of Radiological Society of the Republic of China. Taipei, March 2001.
- 2001: Interventional Vascular Therapies Forum 2001, Kota Kinabalu, Malaysia, August 2001.
- 2002: Annular meeting of Radiological Society of the Republic of China. Taipei, March 2002
- 2002: Annual meeting of Ultrasound Medical Association. Kaohsiung, April 2002.
- 2003: Annular meeting of Radiological Society of the Republic of China. Taichung, March 2003
- 2004: Annular meeting of Radiological Society of the Republic of China. Taipei, March 2004
- 2005: Annular meeting of Radiological Society of the Republic of China. Kaohsiung, March 2005
- 2005: PRROC-KRS international symposium. Kaohsiung, Taiwan, March 26.2005.
- 2006: Invited speaker: Professor Lu Chien Tai, Annular meeting of Radiological Society of the Republic of China. Kaohsiung, March 2006
- 2006: The 3<sup>rd</sup> NTUH Radiology course: Abdominal Radiology Diagnostic and Interventional. National Taiwan University Hospital, Taipei, Taiwan. Oct. 28-29, 2006.
- 2007: Annular meeting of Radiological Society of the Republic of China. Taipei, March 2007
- 2007: The 4th NTUH Radiology course: Emergency Radiology: Diagnostic and Interventional. National Taiwan University Hospital, Taipei, Taiwan. Nov. 10-11,

- 2007.
- 2008: Invited speaker: Professor Lu Chien Tai, Annular meeting of Radiological Society of the Republic of China. Tainan, March 2008
- 2009: Asia Pacific Summit: Maximizing Long Term Outcomes in Solid Organ Transplantation. Japan, Feb. 2009.
- 2009: ACAR'2009 Seoul. The 2nd Asian Congress of abdominal radiology. Seoul, Korea. June 5-6, 2009.
- 2009: 1<sup>st</sup> Clinical research workshop in Taiwan for Radiology investigators. Taipei, Taiwan. Aug. 4, 2009.
- 2010: 13th Asian Oceanian Congress of Radiology, Taipei, Taiwan March 20-23, 2010
- 2010: 16th Annual Congress of the International Liver Transplant Society. Hong Kong, China, June 16-19, 2010,
- 2010: Radiology Society of North America (RSNA) national meeting, (Liver Transplantation) Chicago, USA Nov. 29, 2010.
- 2011: Organ Transplantation Summit Forum 2011. Hangzhou, China. June 2, 2011.
- 2011: 2011 Joint International Congress of ILTS, ELITA & LICAGE, Valencia, Spain. 22-25 June 2011.
- 2011: General Surgery Summit Forum 2011. Wuhan, China. Nov. 12, 2011.
- 2011: Radiology Society of North America (RSNA) national meeting, (Liver Transplantation) Chicago, USA Nov. 30, 2011.
- 2012: The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
- 2012: Invited speaker: Gi-Young Ko, The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
- 2012: The 6<sup>th</sup> Hepatobiliary & Pancreatic Surgery Seminar (China, France and Australia)
- 2013: The 4th Asian Congress of Abdominal Radiology (ACAR2013) to be held 22-24 March, 2013 in Kaohsiung, Taiwan.
- 2014: Annular meeting of Radiological Society of the Republic of China. Kaohisung, March 2014.
- 2014: Treatment of hepatocellular carcinoma. Asian Pacific Association of Image Guided Therapy in Oncology. May 2014. Shanghai, China.
- 2014: Portal venous stent in liver donor liver transplant. The Asian Pacific Digestive Week Congress. Nov 2015, Bali. Indonesia.
- 2015: Portal vein stent in pediatric liver transplant. The 5th Biennial Congress of the

- Asian-Pacific Hepato-Pancreato-Biliary Association. Feb. 2015, Singapore
- 2015: Annular meeting of Radiological Society of the Republic of China. Taipei, March 2015.
- 2016: Annular meeting of Radiological Society of the Republic of China. Taipei, March 2016.
- 2016: China Conference on Interventional Oncology: March 2016, Beijing, China.
- 2016: Joint International Congress of ILTS, ELITA & LICAGE, May 2016, Seoul, Korea
- 2016: 2<sup>nd</sup> scientific meeting of Asia-Pacific Association of imaging-guide therapy in Oncology. May 2016, Qingdao, China
- 2016: 5<sup>th</sup> SEED Program Radiology CME Seminar: July 2016, Taipei, Taiwan
- 2017: Multidisciplinary oncology symposium Malaysia. May 11-14, 2017. Subang Jaya, Malaysia.
- 2018: Joint International Congress of ILTS, ELITA & LICAGE, May 2018, Lisbon, Portugal.
- 2018: 3<sup>rd</sup> scientific meeting of Asia-Pacific Association of imaging-guide therapy in Oncology. June 22, 2018, Hong Kong, China.
- 2018: The Global Embolization Symposium and Technologies, GEST Asia 2018. December 7, 2018. Hong Kong, China.

### **Committee Member in Kaohsiung Chang Gung Memorial Hospital**

1991-2	Member of Histopathology Committee
1993	Member of Intensive Care Unit Committee
1994	Member of Emergency Committee
1995 & 97	Member of Infection Control Committee
1996	Member of Chart Committee
1998 & 00	Member of Histopathology Committee
1999-01	Member of Medical Education Committee
2001-04	Member of Medical Editorial & Research Committee
2003-10	Member of Hospital Affairs Committee
2004-06	Chairman of the Medical Doctor Screening Committee
2004-05	Vice Chairman of the Irradiation Protection Committee
2004-05	Member of Advance Medical technology Committee
2005-6	Vice Chairman of the Labor safety Committee

2005-14	Member of Medical Ethics Committee
2005-09	Vice Chairman of the Oncology Committee
2005- Present	Chairman of the Oncology Committee, Hepatocellular carcinoma group
2007-08	Vice Chairman of the medical quality control Committee
2007- 13	Member of Medical research Ethics Committee
2007-08	Director of Medical research Department
2007-09	Vice Chairman of Cancer Center
2009- 15	Director of Cancer Center
2010- 15	Chairman of the Medical Doctor Screening Committee
2010-11	Hospital Quality Control Committee
2015	Chair of the Ethics Committee
2016	Chair of the Research Advisory Committee

**Research Grant:**

**Principal investigator:**

1. National Health Research Institute Program Project Grant: DOH87-HR-702 (July 1997 - June 2002) (NT\$ 1,803,000) Responsible Investigator: Noninvasive imaging study in Living related liver transplantation: Magnetic resonance venography in potential pediatric liver transplant recipients.
2. National Science Council. Grant NSC 88-2314-B-182A-013 (Aug 1998 - July 1999) (NT\$ 600,000) Principal investigator: Assessment of donor fatty livers for liver transplantation.
3. National Science Council. Grant NSC 89-2320-B-182A-026-M08 (Aug 1999- July 2000) (NT\$ 800,000) Principal investigator: Early diagnosis of recurrent HCC after transarterial Lipiodol and ethanol embolization: comparison between computed tomography and telomerase activity in peripheral blood
4. National Science Council. Grant NSC 89-2314-B-182A-090-M08 (Aug 2000- July 2001) (NT\$ 450,000) Principal investigator: Imaging study of Wilson's disease in liver transplantation.
5. National Science Council. Grant NSC 90-2314-B-182A-092 (Aug 2001- July 2002) (NT\$ 650,000) Splenic embolization in liver transplantation
6. National Science Council. Grant NSC 91-2314-B-182A-168 (Aug 2002- July 2003) (NT\$ 900,000) Portosystemic shunt in liver transplantation
7. National Science Council. Grant NSC 92-2314-B-182A-041 (Aug 2003- July 2004) (NT\$

900,000) Portosystemic shunt in liver transplantation

8. National Health Research Institute Program Project Grant (NHRI-EX92-9228SP) (Jan 2003 – Dec. 2005 (NT\$ 1,700,000) Responsible Investigator: Imaging in Liver transplantation
9. National Science Council. Grant NSC 93-2314-B-182A-084 (Aug 2004- July 2005) (NT\$850,000) Small for size graft in liver transplantation.
10. National Science Council. Grant NSC 94-231-B-182A-009 (Aug 2005- July 2006) (NT\$850,000) Small for size graft in liver transplantation.
11. National Science Council. Grant NSC 95-231-B-182A-132-MY3 (Aug 2006- July 2009) (NT\$2,610,000) Fatty liver in liver transplantation.
12. National Science Council. Grant NSC 98-231-B-182A-050-MY2(Aug 2009- July 2011) (NT\$1,980,000) Assessment of liver transplant rejection with blood oxygen level-dependent and Diffusion MR Imaging and proteomic approach.
13. CMRPG890722(July 2011-Oct 2012). The effects of phototherapy on hepatic circadian clock, lipid accumulation and hepatic apoptosis followed by fibrogenesis.
14. Ministry of Health and Welfare. Grant MOHW103-TD-B-111-07 (Jan 2014-Dec 2017): Kaohsiung Chang Gung Memorial Hospital Cancer Research Project.
15. Ministry of Science and Technology.MOST103-2314-B-182A-05A (Aug 2014-July 2017). Pre-clinical study for noninvasive diagnosis of oxidative stress, liver transplant rejection and liver regeneration
16. Ministry of Health and Welfare. Grant MOHW103-TD-B-111-07 (Jan 2018-Dec 2021): Kaohsiung Chang Gung Memorial Hospital Cancer Research Project.

**Co-investigator:**

1. National Science Council. Grant NSC 88-2314-B-182A-012 (Aug 1998 - July 1999)  
Co-investigator: Doppler ultrasound in prediction of the early mortality risk factors on the waiting list of pediatric liver transplantation recipients.
2. National Science Council. Grant NSC 89-2320-B-182A-035-M08 (Aug 1999- July 2000)

- Co-investigator: Intraoperative Doppler ultrasound in living related liver transplantation
3. National Science Council. Grant NSC 89-2314-B-182A-112-M08 (Aug 2000- July 2001)  
Co-investigator: Doppler ultrasound in liver transplantation.
  4. National Science Council. Grant NSC 89-2314-B-182A-116-M08 (Aug 2000- July 2001)  
Co-investigator: Vascular anomalies in biliary atresia
  5. National Science Council. Grant NSC 90-2314-B-182A-103 (Aug 2001- July 2003)  
Co-investigator: Transarterial embolization using mixture of ethiodol and ethanol in the treatment of hepatocellular carcinoma with portal vein thrombosis: a clinical study
  6. National Science Council. Grant NSC 90-2314-B-182A-101 (Aug 2001- July 2002)  
Co-investigator: The Evaluation of Liver Graft Outflow in Adult-to-adult Living Related Liver Transplantation: Measurement of Right Hepatic Vein Outflow by Color Doppler Ultrasound
  7. National Science Council. Grant NSC 91-2314-B-182A-054 (Aug 2002- July 2003)  
Co-investigator: Trans-arterial embolization of uterine myoma.
  8. National Science Council. Grant NSC 90-2314-B-182A-052 (Aug 2002- July 2003)  
Co-investigator: The Evaluation of Liver Graft Outflow in living donor liver transplantation.
  9. CMRPG83008 (March 2004- - February 2006) Co-investigator: Efficiency of superparamagnetic iron oxide enhanced MRI study (SPIO-MRI) in focal tumors detection of cirrhotic liver: by comparing pretransplantation findings of SPIO-MRI and posttransplantation pathological findings of the explanted liver
  10. National Science Council. Grant NSC93-2314-B-182A-122 (Aug 2004- July 2005)  
Co-investigator: Changes between hepatic arterial and portal hemodynamics in living related Liver transplantation: evaluation by color Doppler ultrasound.
  11. CMRPG 84012 (Feb. 2005 – Jan. 2006) (NT\$ 771,912) Co-investigator: Contrast medium nephrotoxic effect in end stage liver disease patients undergoing Computer Tomography examination for transplantation evaluation.
  12. National Science Council. Grant NSC 94-2314-B-182A-111 (Aug 2005 - July 2006)  
The significance of total portal inflow volume to the graft weight ratio in adult living-related liver transplantation: a necessity for perioperative modulation of portal graft inflow?
  13. Chang Gung Medical Research Project. Grant CMRPG860131 (May 2007 - July 2008)  
Quantitative Doppler ultrasound in perioperative evaluation of portal hyperperfusion in adult living related liver transplantation for preventing small-for-size syndrome.

14. Chang Gung Medical Research Project. Grant CMRPG870961 (Nov 2008 - Oct 2009)  
The correlation in between portal flow and pressure for optimal portal hemodynamics in adult living donor liver transplantation.
15. Chang Gung Medical Research Project. Grant CMRPG870962 (Nov 2009 - Jan 2011)  
The correlation in between portal flow and pressure for optimal portal hemodynamics in adult living donor liver transplantation.
16. Chang Gung Medical Research Project. Grant CMRPG891261 (May 2011 - Apr 2012)  
Assessment of liver rejection after living donor liver transplantation: noninvasive  
Ultrasound-based modality with acoustic radiation force impulse (ARFI) imaging.
17. National Science Council. Grant NSC 100-2314-B-182A-071 (Aug 2011- July 2012)  
Assessment of graft dysfunction after living donor liver transplantation with noninvasive  
ultrasound-based acoustic radiation force impulse imaging.
18. CMRPD8A0701.(Feb 2012-Jan 2013).Biomarker Discovery and Cellular Profiling in Liver  
Rejection.
19. National Science Council. Grant NSC 101-2314-B-182A-074-MY2 (Aug 2012- July 2014):  
Assessment of liver fibrosis progression in recurrent hepatitis C after living donor liver  
transplantation by acoustic radiation force impulse imaging.
20. Ministry of Science and Techonology. 101-2314-B-182A-031 -MY3 (Aug 2012-July  
2015) .Preclinical studies to establish the ideal stem cell therapy for liver transplantation
21. Ministry of Science and Techonology. 101-2320-B-182 -037 -MY3 (Aug 2012-July 2015).  
Immunological and Regenerative Aspects of Hepatic Mast Cells in Liver Allograft Rejection  
and Tolerance
22. National Science Council: (Aug 2014-July 2015) Translatyion research in hepatic  
encephalopathy
23. Ministry of Science and Techonology. MOST103-2314-B-182A-007(Aug 2014-July 2015).  
The evaluation of post transplant rejection by acoustic radiation force impulse elastography

and comparison to recurrent hepatitis in living donor liver transplantation.

  78. Drug-eluting Bead for Hepatocellular Carcinoma. Tianjin First Center Hospital. Nov. 4, 2016.
  79. Pediatric portal venous stent in LDLT. Tianjin First Center Hospital. Nov. 4, 2016.
  80. Safety and Efficacy of Transarterial Chemoembolization using Drug-eluting Bead for Hepatocellular Carcinoma in Living Donor Liver Transplantation. The 2<sup>nd</sup> Xiangya

- International Forum of Interventional Radiology. Feb 17-19, 2017. Changsha city, China.
81. Downstage of the HCC in liver transplant. Multidisciplinary oncology symposium. May 11-14, 2017. Subang Jaya, Malaysia.
  82. TACE complications and management. Multidisciplinary oncology symposium. May 11-14, 2017. Subang Jaya, Malaysia.
  83. Drug eluting bead TACE of HCC. Multidisciplinary oncology symposium Malaysia. May 11-14, 2017. Subang Jaya, Malaysia.
  84. HCC in liver transplantation. Policlinico Hospital, Padova University, Padova, Italy. June 29, 2017.
  85. Drug eluting bead TACE of HCC. (Taiwan experience). No. 1 Affiliated Hospital of Zhejiang University College Medicine. Hangzhou, China. June 20, 2017.
  86. HCC in liver transplantation. Zhejiang University International Hospital. Hangzhou, China. June 21, 2017.
  87. Drug eluting bead TACE in treatment of HCC. The First Affiliated Hospital of Soochow University, Soochow, China. June 22, 2017.
  88. HCC in liver transplantation. Commemorate the 20<sup>th</sup> anniversary of Hong Kong's return. Canton and Hong Kong Hepatobiliary & Pancreatic Surgery Summit Forum, Foshan, China. June 24, 2017
  89. Drug eluting bead TACE in treatment of HCC. Tianjin First Center Hospital. Tianjin, China. Aug. 18, 2017.
  90. HCC in liver transplantation. The 4<sup>th</sup> Soochow international Forum of intervention, Soochow, China. Oct. 14,2017.
  91. Interventional radiology in liver transplant. Renji Hospital, Medical School of Shanghai Jiaotong University, Shanghai, China. Oct.14, 2017.
  92. SNQ: Imaging in liver transplant. Renji Hospital, Medical School of Shanghai Jiaotong University, Shanghai, China. Oct.14, 2017.
  93. International medical service in KCGMH. Renji Hospital, Medical School of Shanghai Jiaotong University, Shanghai, China. Oct.14, 2017.
  94. Interventional radiology in liver transplant. Beijing Tsinghua Chang Gung Hospital. Beijing, China. Dec. 16, 2017.
  95. Interventional radiology in treatment of HCC. No. 1 Affiliated Hospital of Inner Mongolia Medical University. Inner Mongolia, China. Dec. 22, 2017
  96. Interventional radiology in liver transplant. Vinmec Timesctiy Hospital, Hanoi, Vietnam.

- Jan 20, 2018.
97. Drug eluting bead TACE in treatment of HCC. The Scientific Meeting of APSCVIR. Auckland New Zealand. March 9, 2018.
  98. Drug eluting bead TACE in treatment of HCC. Guangzhou HCC treatment meeting. Guangzhou, China. March 31, 2018.
  99. Drug eluting bead (Tandem) TACE in treatment of HCC. GEST USA, 2018. Miami, USA. May 17, 2018.
  100. Updated imaging modalities in diagnosis and treatment of HCC. ILTS 2018, Lisbon, Portugal. May 25, 2018.
  101. Downstage of HCC in liver transplant. APAITO 2018, Hong Kong. June 22, 2018.
  102. Drug eluting bead (Hepasphere) TACE in treatment of HCC. APAITO 2018, Hong Kong. June 23, 2018.
  103. Portal venous stent. TTS 2018 (State of the art), Madrid, Spain. July 5, 2018.
  104. Updated imaging modalities in diagnosis and treatment of HCC. Xining, July 8, 2018.
  105. Updated imaging modalities in treatment of HCC. Shanghai Zhongshan Hospital, Shanghai, China. July 17, 2018.
  106. Downstage of HCC in liver transplant. Beijing. July 27, 2018.
  107. Drug eluting beads TACE in Treatment of Hepatocellular Carcinoma. Guangzhou, China. September 14, 2018.
  108. Drug eluting beads TACE in Treatment of Hepatocellular Carcinoma. Tianjin, China. September 15, 2018.
  109. Biological Imaging in Liver Transplant. Beijing Tsinghua Chang Gung Hospital, Beijing, China. October 13, 2018
  110. Role of intervention radiologist in pediatric liver transplantation. The University of Hong Kong - Shenzhen Hospital, Shenzhen, China. November 3, 2018.
  111. Drug Eluting Beads TACE Particle Selection & Results. GEST Asia 2018, Hong Kong. December 7, 2018.
  112. Embolization of postpartum hemorrhage: when and how? GEST Asia 2018, Hong Kong. December 7, 2018.

**Invited speaker: Taiwan**

1. Imaging in living related liver transplantation. Annular meeting of Surgical Society of the Republic of China. Taichung, Taiwan, March 1995.

2. Imaging in liver transplantation. Educational lecture in Radiological Society of the Republic of China. Kaohsiung, Taiwan, Oct. 1996.
3. Imaging in liver transplantation. Educational lecture in Radiological Society of the Republic of China. Taichung, Taiwan, Aug. 1997.
4. Computed tomography of the abdomen. Fan Liao Hospital, Pingtung, Taiwan, Sept. 1997.
5. Radiological diagnosis of the abdomen. Fan Liao Hospital, Pingtung, Taiwan, Feb. 1998
6. Interventional radiology in liver transplantation. Educational lecture in Radiological Society of the Republic of China. Taipei, Taiwan, Oct. 1998.
7. Imaging in liver transplantation. Veterans General Hospital-Taipei, Taiwan. Dec.8, 1999.
8. Doppler ultrasound in liver transplantation. Symposium in sonography, Ultrasound Medical Association of the Republic of China. Kaohsiung, Taiwan. April 9, 2000.
9. Essentials of ultrasound anatomy of hepatobiliary system. Symposium in sonography, Ultrasound Medical Association of the Republic of China. Taipei, Taiwan. June 12, 2000.
10. Ultrasound in hepatobiliary system. Educational lecture in Medical Radiological Society of the Republic of China. Kaohsiung, Taiwan, July 16, 2000.
11. Ultrasound of the hepatobiliary surgery. Educational lecture in Ultrasound Medical Association of the Republic of China. Kaohsiung, Taiwan, July, 2000.
12. Vascular and biliary complications in liver transplantation: Diagnosis and treatment. Jen Ai Hospital, Taichung, Sept.19, 2000.
13. The role of interventional radiology in liver transplantation: 20th Anniversary of China Medical College Hospital. Taichung, March 2001
14. Interventional radiology in abdomen. Cheng Chin Hospital. Taichung, Oct. 16, 2001.
15. Imaging in liver transplantation. Symposium in transplantation. Veterans General Hospital-Taichung. Nov. 16, 2001.
16. Angiographic arterial embolization in the management of intractable postpartum hemorrhage. Symposium in interventional radiology. Kaohsiung Medical University. Nov. 29 2001.
17. Hepatic venous insults in liver transplantation. Ultrasound Medical Association of the Republic of China. Kaohsiung, Taiwan, April 28, 2002.
18. Ultrasound in liver transplantation. Ultrasound Medical Association of the Republic of China. Kaohsiung, Taiwan, April 28, 2002.
19. Imaging in liver transplantation. Changhua Christian Hospital, Changhua, Taiwan. Dec. 27, 2002.
20. Interventional radiology in abdomen. Fooyin's affiliated hospital, Ping-Tung Hsien, Taiwan. February 26, 2003.

21. Hepatocellular carcinoma in liver transplant. Workshop of liver-specific enhanced MR and transplant. Kenting, Taiwan. August 2, 2003.
22. Hepatocellular carcinoma in liver transplant. Workshop of liver-specific enhanced MR and transplant. Taichung, Taiwan. October 5, 2003.
23. Hepatocellular carcinoma in liver transplant. Workshop of liver-specific enhanced MR and transplant. Taichung, Taiwan. January 5, 2004.
24. Liver transplant. Koo Foundation Sun Yat-Sen Cancer Center. Taipei, Taiwan. May 28, 2004.
25. Hepatocellular carcinoma in liver transplant. Workshop of liver-specific enhanced MR and transplant. Pintung, Taiwan. June 20, 2004.
26. Imaging of liver transplantation. The 3<sup>rd</sup> NTUH Radiology course: Abdominal Radiology Diagnostic and Interventional. National Taiwan University Hospital, Taipei, Taiwan. Oct. 28-29, 2006.
27. Interventional Radiology in postpartum hemorrhage. The 4th NTUH Radiology course: Emergency Radiology: Diagnostic and Interventional. National Taiwan University Hospital, Taipei, Taiwan. Nov. 10-11, 2007.
28. Imaging in liver transplant. Chi Mei Medical center. Tainan, Taiwan. Jan 26, 2008
29. HCC in liver transplant. 2011 Annular meeting Hepatogastrointestinal association, Taipei, March 2011.
30. Imaging in liver transplant. Makay Medical Center. Taipei, April 16, 2011.
31. Pre-liver transplantation downstaging of HCC. The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
32. Imaging in liver transplant. Annular meeting of Surgery, Taichung, June 20, 2014
33. Small for Size Syndrome: Ultrasound Society of the Republic of China. Kaohsiung, Taiwan, July 3, 2016.
34. Interventional Radiology in Liver Transplant. 5<sup>th</sup> Seed Program Radiology CME Seminar. Taipei Medical University. Taipei, Taiwan. July 23, 2017.

### **International presentations: Oral**

1. Variation of the intrahepatic portal vein, angiographic demonstration: application in living related hepatic transplantation. The 4th Congress of Asian Society of Transplantation. Seoul, July 1995.
2. Variants of the bile ducts: the clinical application in the potential donor of living related hepatic transplantation. The 4th Congress of Asian Society of Transplantation. Seoul, July 1995.
3. The radiological anatomy in slitting liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
4. Liver regeneration in living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
5. Portal hemodynamics in living-related liver transplantation: quantitative measurement by Doppler ultrasound. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
6. Preoperative prediction of the hepatic venoplasty in living related liver transplantation. Fifth Congress of International Liver Transplantation Society. Pittsburgh, U.S.A. August 1999.
7. Interventional radiologic procedures in liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
8. Doppler ultrasound in prediction of the early mortality risk factors on the waiting list of pediatric liver transplantation recipients. XVIII International Congress of the Transplantation Society. Roma, Italy. August 2000.
9. Multi-detection CT angiography in pediatric liver transplantation. The 4<sup>th</sup> Roche Asian Transplantation Forum. Sanya, China. March 9, 2002.
10. The immunological role of anti-Histone H1 Ab in experimental and clinical liver transplantation The 104th Annual Congress of Japan Surgical Society Osaka, Japan April 7~9, 2004
11. Splenic enlargement in donors after living donor liver transplantation. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles, California, USA, July, 2005.
12. Donor hepatectomy with minimal blood loss - An achievable aim. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles, California, USA, July, 2005.
13. Hepatic pseudotumor in patterns with biliary atresia awaiting liver transplantation. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles,

California, USA, July, 2005.

14. Outflow reconstruction in living donors liver transplantation – Analysis of 195 consecutive cases in single institute. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles, California, USA, July, 2005.
15. Graft outflow venoplasty in living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
16. Biliary reconstruction in living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
17. High level active immunization is a feasible and effective strategy to prevent de novo hepatitis B virus infection in pediatric patients after living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
18. Preoperative vascular evaluation in living donor liver transplantation for biliary atresia. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4,2007.
19. Portal vein complications in living donor liver transplantation for biliary atresia. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4,2007.
20. Superparamagnetic iron oxide-enhanced MR for tumor surveillance in cirrhotic liver before liver transplantation with explanted liver correlation. 11th Congress of the Asian Society of Transplantation. Beirut, Lebanon, Oct. 1-4, 2009.
21. Vascular stents in the management of portal venous complications in living donor liver transplantation. 16th Annual Congress of the International Liver Transplant Society. Hong Kong, China, June 16-19, 2010,
22. Magnetic resonance cholangiography in living donor liver transplantation. 16th Annual Congress of the International Liver Transplant Society. Hong Kong, China, June 16-19, 2010.

**International presentations: Poster presentation**

1. Translocation of a liver transplantation program to southern Taiwan. The 4th Congress of Asian Society of Transplantation. Seoul, July 1995.

2. Initiation of living related donor liver transplantation in Taiwan. The 4th Congress of Asian Society of Transplantation. Seoul, July 1995.
3. Hepatic artery reconstruction using microsurgical technique in liver transplantation. First living related liver transplantation meeting. Kaohsiung, Taiwan, Jan. 1996.
4. The outcome of the liver transplantation in living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
5. Preoperative assessment of the portal vein in potential pediatric liver transplantation recipients: comparison of sonography and invasive portography. The 5th Congress of Asian Society of Transplantation. Philippines, Dec. 1997.
6. Recovery of neurological deficits in a case of Wilson's disease after liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
7. Neoral-based immunosuppression in living-related donor liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
8. Histopathology in pediatric recipients of living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
9. Differential expression of proteins associated with liver transplantation in Wilson's disease patients. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
10. Pediatric liver transplantation from living-related donors. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
11. Initiation of split-liver transplantation in Taiwan. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
12. Successful treatment of hepatic vein thrombosis following reduced-size liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
13. Experience with liver transplantation in Taiwan. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
14. Plastic surgery in liver transplantation. The 5th Congress of Asian Society of Transplantation. Philippines, December 1997.
15. Ionized hypocalcemia in living related liver transplantation without blood transfusion. Fifth Congress of International Liver Transplantation Society. Pittsburgh, U.S.A. August 1999.
16. Silent vascular complications in liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
17. Intraoperative Doppler ultrasound in living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
18. Gadolinium-enhanced magnetic resonance portography: Application in pediatric liver

transplant recipients. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.

19. Subclinical central pontine myelinolysis after liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
20. Soluble thrombomolin antigen as a maker for endothelial damage during liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
21. Organ sharing in Asia: initial experience. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
22. Monitoring serum calcium level in living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
23. Living donor liver transplantation: The Kaohsiung experience. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
24. Initial experience with right lobe living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
25. Ceruloplasmin is a novel candidate of diagnostic marker for liver function after liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
26. Neoral-based immunosuppression in pediatric living liver transplantation in Asia. XVIII International Congress of the Transplantation Society. Roma, Italy. August 2000.
27. Organ sharing in Asia: initial experience. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
28. Monitoring serum calcium level in living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
29. Living donor liver transplantation: The Kaohsiung experience. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
30. Initial experience with right lobe living related liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
31. Ceruloplasmin is a novel candidate of diagnostic marker for liver function after liver transplantation. The 5th Congress of Asian Society of Transplantation. Singapore, September 1999.
32. Assessment of donor fatty livers for liver transplantation. The 100<sup>th</sup> Annual Congress of Japan Surgical Society, Tokyo, Japan, April, 2000.
33. Neoral-based immunosuppression in pediatric living liver transplantation in Asia. XVIII International Congress of the Transplantation Society. Roma, Italy. August 2000.

34. Approach to the biliary tree in living donor liver transplantation. XVIII International Congress of the Transplantation Society. Roma, Italy. August 2000.
35. Prevention of de novo infection after living related liver transplantation from HB core antibody-positive donors. XVIII International Congress of the Transplantation Society. Roma, Italy. August 2000.
36. Hepatic outflow insults in living related liver transplantation: Doppler sonography. 2001 A Transplant Odyssey. Istanbul, Turkey. August 2001.
37. Vascular anomalies associated with biliary atresia in pre-transplantation survey. 2001 A Transplant Odyssey. Istanbul, Turkey. August 2001.
38. Noninvasive multislice CT angiography in detection of vascular complication in pediatric liver transplantation: a novel application. 8 cast congress of Asian Society of Transplantation. Kuala Lumpur, Malaysia. Sept. 25 2003.
39. Significance of transarterial embolization for hepatocellular carcinoma in liver transplantation. 8 cast congress of Asian Society of Transplantation. Kuala Lumpur, Malaysia. Sept. 25 2003.
40. Color Doppler Ultrasound in hepatic venous outflow obstruction of living donor liver transplantation before and after radiological interventional management. 8 cast congress of Asian Society of Transplantation. Kuala Lumpur, Malaysia. Sept. 25 2003.
41. The effect of liver graft/body weight ratio on the core temperature of the pediatric patients undergoing liver transplantation. 8 cast congress of Asian Society of Transplantation. Kuala Lumpur, Malaysia. Sept. 25 2003.
42. Early postoperative complications in recipients after living donor liver transplantation. 8 cast congress of Asian Society of Transplantation. Kuala Lumpur, Malaysia. Sept. 25 2003.
43. Hepatocellular carcinoma in liver transplantation. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles, California, USA
44. The significance of total portal flow in adult living-donor liver transplantation for evaluating postoperative complications especially in small grafts for the recipients. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles, California, USA, July, 2005.
45. The reactions of post-transplant denervation liver on the hemorrhagic shock in rats. 11<sup>th</sup> Annual International Congress of International Liver Transplantation Society, Los Angeles, California, USA, July, 2005.
46. Intraoperative blood loss is risk factor for complications in donors after living donor hepatectomy The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver

Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.

47. Does type of co-existing hepatitis influence outcome in living donor liver transplantation for hepatocellular carcinoma? The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
48. Chronic myeloid leukemia after living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
49. Long-term outcome from cyclosporine as a primary immunosuppressive agent in pediatric living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
50. Venoplasty of the segment 8 vein: Improving the drainage of the anterior sector in right Lobe living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
51. Comparison of intraoperative blood loss and fluid therapy in right and left lobe partial living donor. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
52. Liver graft-to-recipient spleen size ratio as a novel predictor of portal hyperperfusion syndrome in living donor liver transplantation. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
53. The significance of total inflow in adult living donor liver transplantation for evaluating postoperative complications especially in small grafts for recipients. The 2006 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Milan, Italy, May 3-6, 2006.
54. Adult-to-adult living donor liver transplantation using dual grafts. 13th Congress of The European Society for Organ Transplantation(ESOT) September 29- October 3, 2007, Prague, Czech Republic.

55. Autoimmunity and tolerance induction in rat liver transplantation models. 13th Congress of The European Society for Organ Transplantation(ESOT) September 29- October 3, 2007, Prague, Czech Republic.
56. Significance of histone H1 for the maturation of dendritic cells and subsequent T-cell activation. 13th Congress of The European Society for Organ Transplantation(ESOT) September 29- October 3, 2007, Prague, Czech Republic.
57. Hepatic pseudotumor in long-standing biliary atresia patients undergoing liver transplantation. 13th Congress of The European Society for Organ Transplantation(ESOT) September 29- October 3, 2007, Prague, Czech Republic.
58. The effects of portosystemic shunt on graft survival and hemodynamics in rat liver transplantation. 13th Congress of The European Society for Organ Transplantation(ESOT) September 29- October 3, 2007, Prague, Czech Republic.
59. Atrial septal defects in end-stage liver disease children before and after liver transplantation. 13th Congress of The European Society for Organ Transplantation(ESOT) September 29- October 3, 2007, Prague, Czech Republic.
60. The immunological role of apolipoprotein E and adiponectin in liver allograft tolerance. The 37th Annual Meeting of the Japanese Society for Immunology, November 20-22, 2007, Tokyo, Japan
61. Histone H1 on signaling pathways for the maturation of dendritic cells and subsequent T-cell activation. The 37th Annual Meeting of the Japanese Society for Immunology, November 20-22, 2007, Tokyo, Japan
62. Living donor liver transplantation for hepatitis B related liver cirrhosis: Mid to long term results at a single center. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
63. Adult-to-adult living donor liver transplantation without blood transfusion.
64. Outflow reconstruction using interposition grafts in adult living donor liver transplantation. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
65. Successful amplatzer device deployment for closure of an enlarging atrial septal defect after living donor liver transplantation. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
66. Comparative study of living donor liver transplantation for hepatitis B and C liver cirrhosis with or without hepatocellular carcinoma. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007

67. Determinants of early and late mortality in adult-to-adult living donor liver transplantation. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
68. Salvage graft hepatic artery using alternate vessels in living donor liver transplantation. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
69. Lessons learned from 100 consecutive living donor liver transplantations for biliary atresia in a single center. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
70. Comparison of hemodynamic changes during the anhepatic phase in glycogen storage disease and biliary atresia patients undergoing living donor liver transplantation without veno-venous bypass. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
71. Propofol pretreatment attenuates lipopolysaccharide-induced inflammation cytokine gene expression in cultures hepatocytes
72. Intraoperative fluid management of 120 patients undergoing living donor hepatectomy without blood transfusion: A single-center experience. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
73. The immunological role of lipid transfer/metabolic proteins in liver transplantation tolerance. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007
74. Portal hypertension on adult living donor liver transplantation after splenic artery ligation. 13th International Liver Transplant Society Annual Congress Sheraton Rio Hotel and Spa, Rio de Janeiro, Brazil June 20-23, 2007.
75. The immunological role of apolipoprotein E and adiponectin in liver allograft tolerance. The 37th Annual Meeting of the Japanese Society for Immunology, November 20-22, 2007, Tokyo, Japan
76. Liver transplantation for budd-chiari syndrome: a single-center experience in Taiwan. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
77. Liver transplantation for hepatic epithelioid hemangioendothelioma. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
78. Anesthetic management of patient with abdominal aortic aneurysm undergoing liver

- transplantation. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
79. Effects of different operating room temperature on the body temperature undergoing live liver donor hepatectomy. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  80. The reactions of post transplant denervated liver on hemorrhagic shock in rats.
  81. Bispectral index monitoring in healthy, cirrhotic, and end-stage liver disease patients undergoing hepatic operation. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  82. Rhabdomyolysis after liver transplantation. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  83. Diagnosis and interventional radiological treatment of vascular and biliary complications after liver transplantation in children with biliary atresia. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  84. Preoperative imaging evaluation of potential living donors: reason for exclusion from donation in adult living donor liver transplantation. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  85. Correlation of hepatic steatosis and hepatic volume in the potential liver donors. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  86. Significance of portosystemic shunt on graft survival in liver transplantation. The 10th Congress of Asian Society of Transplantation (10th CAST). Pattaya, Thailand, Dec. 1-4, 2007.
  87. Significance of mast cells and gamma;/delta; T cells in liver transplantation tolerance. The 38th December 1-3, 2008, Kyoto, Japan
  88. Induction of autoantibody against nuclear histone H1 for protection and recovery from autoimmune hepatitis. The 38th Annual Meeting of the Japanese Society for Immunology December 1-3, 2008, Kyoto, Japan
  89. Establishment of noninvasive approach for diagnosis of nonalcoholic steatohepatitis in rats. The 2008 Joint International Congress of the International Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Paris, France, July 9-12, 2008.
  90. Doppler ultrasound assessment of the reconstructed middle venous patency in right lobe living related liver transplantation. The 2008 Joint International Congress of the International

Liver Transplantation Society (ILTS), European Liver and Intestinal Transplant Association (ELITA), The Liver Intensive Care Group of Europe (LICAGE). Paris, France, July 9-12, 2008.

91. Characterization of lipid transfer metabolic proteins in a rat non-alcoholic steatohepatitis model. XXII International Congress of the Transplantation Society, Sydney, Australia. August 10-14, 2008
92. Protection and recovery from autoimmune hepatitis by anti-histone hi autoantibody. XXII International Congress of The Transplantation Society, Sydney, Australia. August 10-14, 2008
93. The immunological aspects of anti-histone h1 autoantibody on lymphocyte biology in liver transplantation tolerance. XXII International Congress of The Transplantation Society, Sydney, Australia. August 10-14, 2008
94. Liver graft regeneration in right lobe adult living donor liver transplantation. ILTS 15TH Annual International Congress , New York, July 8-11, 2009. XXII International Congress of The Transplantation Society , Sydney, Australia. August 10-14, 2008
95. An alternative percutaneous transplenic approach in treatment of portal venous occlusion after living donor liver transplant ILTS 15TH Annual International Congress , New York, July 8-11, 2009
96. Intra-operation modulation of portal graft inflow by splenic artery ligation or splenectomy in high recipient portal inflow detected by color Doppler ultrasound. ILTS 15TH Annual International Congress, New York, July 8-11, 2009
97. The Impact of UW and HTK Preservation Solutions on Changes in the Serum Potassium Levels of Patients Undergoing Living Donor Liver Transplantation. ILTS 15TH Annual International Congress, New York, July 8-11, 2009
98. Intimal Dissection of the Hepatic Artery following Trans-arterial Embolization for Hepatocellular Carcinoma: an intra-operative problem in adult LDLT. ILTS 15TH Annual International Congress , New York, July 8-11, 2009
99. The Effects of Early and Late Occurrence of Hemorrhagic Shock in Post-Hepatectomy Rats, ILTS 15TH Annual International Congress, New York, July 8-11, 2009
100. Therapeutic Significance of Autoantibody against Histone H1 in a Rat Model of T-cell Mediated Autoimmune Hepatitis. ILTS 15TH Annual International Congress, New York, July 8-11, 2009
101. Liver Transplantation in Children with Glycogen Storage Disease: Revisiting the Long-term Outcome. ILTS 15TH Annual International Congress, New York, July 8-11, 2009

102. Long-term Renal Outcome in Pediatric Living Donor Liver Transplantation Patients, ILTS 15TH Annual International Congress, New York, July 8-11, 2009.
103. Living Donor Liver Transplantation for International Patients-A Single Asian Center Experience. ILTS 15TH Annual International Congress, New York, July 8-11, 2009.
104. Preliminary Results of Patients with Hepatitis B and C Co-Infection Undergoing Living Donor Liver Transplant, ILTS 15TH Annual International Congress, New York, July 8-11, 2009.
105. Hemorrhagic shock in early and late state of partial posthepatectomy rats, 11th Congress of the Asian Society of Transplantation, Beirut, Lebanon, Oct. 1-4, 2009.
106. Doppler ultrasound in postoperative portal vein stenosis of adult living donor liver transplantation, 11th Congress of the Asian Society of Transplantation, Beirut, Lebanon, Oct. 1-4, 2009.
107. Does hepatic graft weight affect the reduction of splenic size after LDLT? 11th Congress of the Asian Society of Transplantation, Beirut, Lebanon, Oct. 1-4, 2009.
108. A simple and effective method of sealing the percutaneous tract to prevent complications of either percutaneous transhepatic or transsplenic portal vein intervention procedures in liver transplantation, 11th Congress of the Asian Society of Transplantation. Beirut, Lebanon, Oct. 1-4, 2009.
109. Regeneration Rate of the Left Liver Graft in Adult Living Donor Liver Transplantation, 11th Congress of the Asian Society of Transplantation, Beirut, Lebanon, Oct. 1-4, 2009.
110. The correlation between imaging findings and pathologic explanted liver of hepatocellular carcinoma in liver transplantation, 11th Congress of the Asian Society of Transplantation, Beirut, Lebanon, Oct. 1-4, 2009.
111. Radiological diagnosis of HCC in post-renal transplant, 11th Congress of the Asian Society of Transplantation, Beirut, Lebanon, Oct. 1-4, 2009.
112. Two approaches to intraoperative stenting for residual long segment portal vein narrowing in pediatric living donor liver transplant, 16th Annual Congress of the International Liver Transplant Society. Hong Kong, China, June 16-19, 2010,
113. Immunogenicity and long-term effects of active immunization against de novo hepatitis B virus infection in pediatric patients, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,
114. Pulmonary cryptococcosis in living donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,
115. Successful interventional radiology treatment of intra-hepatic arterial aneurysm in living

donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,

116. CT angiography for evaluating recipient hepatic artery and alternative vessels for possible arterial reconstruction in living donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,
117. Splenic artery ligation in adult living donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,
118. Regeneration in right liver graft adult living donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society. Hong Kong, China, June 16-19, 2010,
119. CT volumetry of the liver graft in living donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,
120. Regeneration of the dual grafts in adult living donor liver transplantation, 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,
121. CYP2C19 genotypes and graft pathology in recipients after liver transplantation. 16th Annual Congress of the International Liver Transplant Society, Hong Kong, China, June 16-19, 2010,

### **Presentations in Taiwan:**

#### **Oral Presentation:**

1. Persistence of both proatlantal arteries with absence of vertebral arteries. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1986.
2. Transhepatic pancreatic venous sampling for localization of insulinoma. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1989.
3. Variation of the left and middle hepatic veins: Application in living related hepatic transplantation. Annual meeting in Ultrasound Medical Association. Taipei, Taiwan, August 1995.
4. Treatment of postoperative residual hepatolithiasis after progressive stenting of associated bile duct strictures through the T-tube tract. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1995.
5. Percutaneous enterostomy in palliative treatment of afferent loop obstruction. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1995.
6. Magnetic resonance venography in potential pediatric liver transplant recipients. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1997.
7. Subclavian mycotic aneurysm presenting as mediastinal abscess. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1997.

8. Intraoperative Doppler ultrasound in liver transplantation. Annual meeting in Ultrasound Medical Association. Taipei, Taiwan. Oct. 1997.
9. The efficacy and safety of preoperative lobar or segmental ablation via transarterial administration of ethiodol and ethanol mixture in the treatment of hepatocellular carcinoma: a clinical study. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 1999.
10. Interventional radiology in liver transplantation. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2000.
11. Silent vascular complications in liver transplantation. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2000.
12. Assessment of donor fatty livers for liver transplantation. Annular meeting of Surgical Society of the Republic of China. Taipei, Taiwan, April 2000.
13. Doppler ultrasound in prediction of the early mortality pediatric liver transplantation recipients. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2001.
14. Transarterial embolization of post-partum bleeding. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2001.
15. Assessment of donor fatty livers for liver transplantation. Annular meeting of Surgical Society of the Republic of China. Taipei, Taiwan, April 2000.
16. Transarterial embolization of post-partum bleeding. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2001.
17. Transcatheter Arterial Embolization for Hepatocellular Carcinoma with Ethanol and Lipiodol: A Preliminary Report. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
18. Transcatheter Arterial Embolization for Hepatocellular Carcinoma with Malignant Portal Vein Thrombosis after Positive Response of Radiation Therapy. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
19. Vascular Variations in Pediatric Liver Pre-transplant Evaluation. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
20. Outflow Obstruction of Hepatic Veins in Living Related Liver Transplantation Detected by Doppler Ultrasound. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
21. Uterine Artery Embolization in Treatment of Symptomatic Leiomyoma. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.

22. Significant of Doppler ultrasound of hepatic vein stenosis before and after interventional management in pediatric liver transplantation. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
23. The vertebroplasty for osteoporotic compression fractures. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
24. Arterio-portal fistula associated with hepatocellular carcinoma: preliminary results of transarterial embolization with NBCA. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
25. Transarterial embolization for hepatocellular carcinoma in liver transplantation. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
26. Management of blunt splenic injury: emergent splenic artery embolization. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
27. Uterine artery embolization in treatment of diffuse adenomyosis. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
28. Angioplasty with elective stenting for severe carotid artery stenosis: Report of a 3-year series. Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2003.
29. MRI finding of brain after Carbon Monoxide Poisoning. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2004.
30. Contracture of the deltoid muscle: US feature with MR imaging correlation. The 54<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Kaohsiung, Taiwan, March 2005.
31. The significance of total portal flow in adult living-donor liver transplantation for evaluating postoperative complications especially in small grafts for the recipients. The 54<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Kaohsiung, Taiwan, March 2005.
32. Predictive factors of portal hyperperfusion in adult living donor liver transplantation. The 55<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Kaohsiung, Taiwan, March 2006.
33. Pseudotumor in pre-transplanted biliary atresia: The radiological finding of multiacinar regenerative nodule. The 55<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Kaohsiung, Taiwan, March 2006.
34. MRI and MR spectroscopy in quantifying fat concentration in a fat-water mixed phantom model. The 55<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Kaohsiung, Taiwan, March 2006.
35. Migration and dislodgement of coils in intracranial aneurysm embolization. The 56<sup>th</sup> Annular

- meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2007.
36. Preoperative vascular evaluation in LDLT for biliary atresia. The 56<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2007.
  37. Contrast medium nephrotoxic effect in end stage liver disease patients undergoing computer tomography examination. The 56<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2007
  38. Radiological aspect of vascular and biliary complications after liver transplantation in children with biliary atresia. The 57<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Tainan, Taiwan, March 2008.
  39. Imaging evaluation and selection of donors for adult living donor liver transplantation The 57<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Tainan, Taiwan, March 2008.
  40. Portal vein complications in living donor liver transplantation for biliary atresia: risk factors on long-term follow up. The 57<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Tainan, Taiwan, March 2008.
  41. Radiology aspect of regeneration and outcome in dual graft adult to adult living donor liver transplantation. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
  42. Clinical significant computer tomography volumetric in different live liver grafts transplantation. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
  43. Clinical significant of magnetic resonance tomography cholangiography in donor survey of living donor liver transplantation. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
  44. Corpus callosum damage in patient with carbon monoxide poisoning: A diffusion tensor imaging bases probabilistic topography. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
  45. Alteration of brain water diffusivity in liver cirrhosis with and without spontaneous portosystemic shunt: A tract-bases spatial statistics study. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
  46. Portal venous stent with expandable metallic stent in pediatric recipients of liver transplantation. The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
  47. Clinical significant of magnetic resonance cholangiography for recipients after living donor

liver transplantation. The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.

48. Magnetic resonance cholangiography in living donor liver transplant. The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
49. Liver graft regeneration in pediatric liver transplantation for biliary atresia The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
50. Default network connectivity reflects the level of cerebral edema and consciousness in hepatic encephalopathy: a resting fMRI study The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
51. White matter damage of limbic lobe and basal ganglia in HIV-negative chronic meningitis: A diffusion tensor image study. The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.

#### **Poster presentation**

1. Doppler ultrasound in prediction of the early mortality pediatric liver transplantation recipients. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2001.
2. Neuroimaging Prognostic Factors in the Poor Outcome Ischemic Stroke Patients. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
3. Volume Change of Liver and Spleen in Donors after Liver Transplantation. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
4. Application of Multislice CT Angiography in Pediatric Liver Pre-transplant Survey. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002
5. Synchronous Colonic Adenocarcinoma and Extragenital Malignant Mixed Mesodermal Tumor: Case Report. Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2002.
6. Liver tumor detection in cirrhotic liver: prospective comparison study of triphasic CT and SPIO-enhanced MR imaging with pathological correlation of explanted liver. The 54<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2005.
7. The affect of hepatic steatosis and volume in potential liver donors after body weight loss. The 54<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2005.
8. Portosystemic shunt in experimental liver transplantation. The 56<sup>th</sup> Annular meeting of

Radiological Society of the Republic of China. Taipei, Taiwan, March 2007.

9. The changes of the hepatic steatosis, hepatic and spleen volume and density in live liver donors after body weight reduction. The 57<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Tainan, Taiwan, March 2008.
10. Establishment of noninvasive approach for diagnosis of non-alcoholic steatohepatitis (NASH) in rats. The 57<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Tainan, Taiwan, March 2008.
11. Gray matter damage after acute CO intoxication in vivo using voxel-bases morphometry. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
12. Prediction of white matter demyelination in acute carbon monoxide intoxication by diffusion tensor imaging: A tract-based spatial statistics study. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
13. Computer aided system for liver segmentation image: an introduction. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
14. Structure and cognitive deficits in chronic carbon monoxide intoxication with or without delayed neuropsychiatric syndrome: A voxel-based morphometry study. The 60<sup>th</sup> Annular meeting of Radiological Society of the Republic of China. Taichung, Taiwan, March 2011.
15. Does transarterial embolization improve survival in recurrent hepatocellular carcinoma after living donor liver transplantation ? The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.
16. Radiological interventional procedures for biliary complications after liver transplantation in children with biliary atresia. The 61<sup>st</sup> Annular meeting of Radiological Society of the Republic of China. Taipei, Taiwan, March 2012.

**Update: December 7 2018**
